

AGENDA

Site Remediation and Waste Management Program Evaluation of Extractable Petroleum Hydrocarbons (EPH) in Soil Technical Guidance Training

Tuesday, July 23, 2019
NJDEP Public Hearing Room
9:00AM to 12:30PM

Welcome 9:00-9:05

Nicole Kozlowski, SRWMP Training Committee Assistant Chair
Christina Page, SRWMP Training Committee Assistant Chair
Moderators

LSRP Remarks 9:05-9:10

William Call, LSRPA

Introduction – Evaluation of EPH in Soil Technical Guidance 9:10-9:25

John Ruhl, NJDEP, Bureau of Environmental Evaluation and Risk Assessment
Questions

Generalized Derivation of a Product Limit Concentration Equation 9:25-9:40

Michel Boufadel, New Jersey Institute of Technology
Questions

Lithologic and Conductivity Effect of Product Limit Concentrations 9:40-10:10

Ron Baker, USGS New Jersey Water Science Center (retired)
Questions

EPH Fundamentals 10:10-10:45

John Donohue, Fuel Merchants Association of New Jersey
Questions

BREAK

Demonstration of the EPH Alternative Product Limit Concentration Calculator for Soil 10:55-11:20

David Puchalski, PE, LSRP, NewFields Princeton, LLC
Questions

What to Include in Report Submissions 11:20-11:35

John Ruhl, NJDEP, Bureau of Environmental Evaluation and Risk Assessment
Questions

Category 2 Sample SRC Calculator Demonstration 11:35-11:50

David Puchalski, PE, LSRP, NewFields Princeton, LLC

Questions

Scenarios for use of the Product Limit Concentration Calculator 11:50-12:20

John Donohue, Fuel Merchants Association of New Jersey

David Puchalski, PE, LSRP, NewFields Princeton, LLC

Questions

Closing Remarks 12:20-12:30

Christina Page, SRWMP Training Committee Assistant Chair

Nicole Kozlowski, SRWMP Training Committee Assistant Chair
