Last Updated: 8/19/2019

Categories for CEP Allocation do not apply for the continuing education cycle ending on 4/1/2020. Seven CEPs can be obtained in Technical/Industry, Safety, or combination of the two with no limit to CEP's taken online. Upon the start of the next licensing cycle, minimums will apply to each category and a maximum amount of online CEP's will take effect.

Upon the start of the next licensing cycle, minimums will apply to each category and a maximum amount of online CEP's will take effect.

**LIST OF UPCOMING APPROVED COURSES FOR THE NEW JERSEY WELL DRILLER AND PUMP INSTALLER  
CONTINUING EDUCATION PROGRAM**

Below is a list of courses which have no set course provider, location, or date:

Course Name	Course Number	Technical CEPs	Safety CEPs
WP2020-016-O8	OSHA HAZWOPER 8-Hour Refresher		<b>8</b>
WP2020-017-O24	OSHA 24 Hour HAZWOPER		<b>24 (MAX 11 POINTS)</b>
WP2020-018-O40	OSHA 40 Hour HAZWOPER		<b>40 (MAX 11 POINTS)</b>

The Occupational Safety and Health Administration (OSHA) "Hazardous Waste Operations and Emergency Response" standard (HAZWOPER), 40, 24- and 8-hour training courses have all been approved for CEP credit. As there is not a sole agency or individual that provides these courses, licensees are required to submit attendance verification to the Department for credit to be awarded. Upon completion of an in-person or online OSHA HAZWOPER class for one of the three listed class variants (40, 24 or 8), a license holder must provide a completion certificate via email and include the name of the license holder, course completion date, location (if applicable), company that provided the training and whether the course was taken in-person or online.

The form and required information should be emailed to: [wellpermitting@dep.nj.gov](mailto:wellpermitting@dep.nj.gov)
