

Application for Approval of Continuing Education Points

Submit all completed applications to:

wellpermitting@dep.nj.gov

Time for Submittal

All requests for approval of a seminar, workshop, training course, college course, or other means designated to fulfill continuing education point (CEP) requirements (hereafter referred to as “course”) shall be submitted to the Department at least 90 days prior to the start date of the course. The Department, in its discretion, may on a case-by-case basis, decide to review a course that is submitted outside of this timeframe or that is submitted after the completion of the course, provided that a recommendation has been made by the New Jersey State Well Drillers and Pump Installers Examining and Advisory Board (Board).

Duration of Approval

Course approvals shall be reevaluated at the end of the three-year licensing cycle for which they were approved.

Required Information for Approval of Course(s) Offering Continuing Education Points

The Department shall review and approve/disapprove CEPs for the course based on the following information that must be submitted to the Department:

1. A detailed description of the course content;
2. An agenda for the course, including the duration of each course topic;
3. All proposed course duration, dates, and locations;
4. Name(s) and qualifications of instructors, including any required certification for the subject area, education, experience, and licenses held;
5. Procedures for verification of the identity of the attendees;
6. A sample of the course completion certification forms to be used to document attendance;
7. A statement that the course provider will submit to the examination and CEP manager that administers the continuing education program, documentation related to the course and attendees in the format required, no later than the end of the continuing education period (***recommended within 45 days of completion of the course***);
8. Proposed number of CEPs to be assigned for the course;
9. Any changes that have been made to the course since the prior approval date, for those courses requesting renewal.

Be advised that the Department will not approve CEPs for courses where:

1. The principal focus of the course is direct sales of a product;
2. The course provider does not provide a certification that all information required to be submitted to the examination and CEP manager that administers the continuing education program including, but not limited to, documentation related to the course and certification of attendance, will be submitted in the required format no later than the end of the continuing education period;
3. The course instructor is not qualified in the subject area; or
4. The course content is not related to the well drilling or pump installing industry.
