

NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION
BUREAU OF WATER SYSTEM ENGINEERING
TECHNICAL REVIEW FORM

PLANNING CONTROL AREA CRITERIA
(N.J.A.C. 7:10-11.5)

Water Purveyor

PWSID#

a. Highlands Preservation Area (N.J.A.C. 7:38-2.5) YES NO

- 1. Is the project activity located in the Highlands Preservation Area?
If "Yes", go to question a2. If "No", go to section b.
2. Have you included a Highlands Applicability Determination from the Division of Land Use Planning?
If "Yes", go to question a3.
If "No", then obtain a Highlands Applicability Determination before proceeding with the application.
3. Has the application been determined as exempt from Highlands Act Rules?
If "Yes", then NO additional Highlands criteria apply.
If "No", then do not submit as the application will be returned to the applicant.

If not exempt, a Highlands Preservation Area Approval (HPAA) application for the entire project activity, including the SDW permit activity, shall be submitted to the Land Use Regulation Program (LURP).

b. Pinelands Planning Area (N.J.A.C. 7:10-11.5(c)5) YES NO

- 1. Is the project activity located in the Pinelands Planning Area?
If "Yes", go to question b2.
If answered "No", to both planning area categories then this form is not required.
2. Have you included at least one of:
a. Pinelands Certificate of Filing
b. Preliminary Zoning Permit
c. Letter of Exemption for Pinelands Review
d. Public Development Approval

The permit application will be returned to the applicant if one of the above is not submitted as the Department is prohibited from issuing a permit for a project in the Pinelands that is not consistent with the Pinelands Comprehensive Management Plan.

I hereby certify that answers provided herein are accurate and reflective of the project being considered for approval.
