WATER USE REGISTRATION METERING FORM

This form is to be completed within 60 days of receipt of your registration number or within 60 days of completion of your diversion source, whichever occurs last. All diversions must be metered, with a totalizing flow meter, at the source.

REGISTRATION NUMBER _____	COMPANY _____
CONTACT PERSON _____	ADDRESS _____
PHONE NUMBER _____	_____

1. Complete the following information for all diversion sources. (wells, ponds, stream intakes)

Source	Well Permit No.	Meter Type	Manufacturer	Date Installed

2. Provide details of the proposed schedule for calibration of each meter. All meters must be calibrated at least once every five years.

Meter readings must be taken and recorded at the beginning of every month, so the monthly usage can be tracked accurately.
