Bureau of Water Allocation and Well Permitting

APPLICATION FOR NEW JERSEY WELL DRILLING & PUMP INSTALLER LICENSE

Please check the license that you are applying for:

- | | |
|--|--|
| Master <input type="checkbox"/> | <input type="checkbox"/> Dewatering |
| Journeyman <input type="checkbox"/> | <input type="checkbox"/> Vertical Closed Loop Geothermal |
| Journeyman (Class B) <input type="checkbox"/> | <input type="checkbox"/> Elevator Borehole |
| Environmental Resource & Geotechnical <input type="checkbox"/> | <input type="checkbox"/> Pump Installer |

The Process:

Once the applicant has completed all necessary National Groundwater Association (NGWA) technical exams, the NJ regulations exam for the appropriate license type and met the appropriate experience requirement, they must fully complete this application, making sure to enclose all necessary documentation, and send it to the address below:

New Jersey Department of Environmental Protection
Division of Water Supply and Geoscience
Bureau of Water Allocation and Well Permitting
Mail Code 401-04Q
PO Box 420
Trenton, New Jersey 08625-0420

Appendix A contains a table which details the certification exams and experience requirements per license type. All well driller and pump installer applications must be reviewed by the New Jersey State Well Drillers and Pump Installers Examining and Advisory Board (Board). The Board meets six times per year and has conference calls on the off months to certify license applicants.

Once the Board reviews the applications, a staff member from the New Jersey Department of Environmental Protection (Department) will contact you and notify you of the status of your application.

Scheduling an Exam:

To schedule an exam, visit www.psiexams.com. Click on the “Certification/Professional Associations” link, then select “National Groundwater Association (NGWA)” from the “Select Sponsor Name” dropdown menu. Here you will be able to select the certification exam(s) that you are required to take for your license (see Appendix A). Click on the link for the exam that you need to take to schedule your exam. Exams may also be scheduled by calling PSI at (800) 733-9267.

Additional exam information may be obtained by visiting NGWA’s website: www.ngwa.org. Then select the “Certifications and Exams” link within the “Professional Resources” menu along the top of the page.

Study material for the technical exam modules (general drilling, drilling method specialty exams, water systems general, water systems greater or less than 100 GPM) is also provided on this site. Study material for the NJ regulations exams for each license type may be found at: www.nj.gov/dep/watersupply.

Attach a copy of any of the current NGWA Certification(s) you hold and provide the following information:

**NGWA Certification
No.**

Category(s)

Section C: Verification of Work Experience

Please list the names and pertinent information of the two references who will verify your work experience on the wells or pumps listed above in Section B of this application. Each of these two references must complete and notarize a Reference Questionnaire or your application will be rejected. **You may need to add additional references to cover the minimum number of required years of drilling experience if you have either changed employers or worked under the supervision of multiple licensed well drillers.**

New Jersey Experienced Applicants Only: One of your two references must be a New Jersey licensed well driller or pump installer, who was adequately licensed to supervise the work that you completed^{1 2}. The well driller(s) of record whose name and NJ Well Driller license number appear on the State well record forms submitted as per Section B above must be the well driller(s) who supervised your work and must also be the individual(s) listed as your reference(s) on forms ADM-365.

NAME	ADDRESS	PHONE NUMBER	N.J. WELL DRILLER/PUMP INSTALLER LICENSE # (if applicable)

¹ For Elevator Borehole well drillers: Effective January 2, 2020, the applicant must demonstrate that the experience has been obtained under the supervision of a Master, Journeyman, Journeyman (Class B), or Elevator Borehole well driller.

² Master well drillers do not need to need to submit references of licensed individuals since they are already licensed.

**INSTRUCTIONS FOR COMPLETING THE
REFERENCE QUESTIONNAIRE AND VERIFICATION OF
WELL DRILLING / PUMP WORK EXPERIENCE**

1. The minimum amount of total years of supervised experience varies by license type (see Appendix A for experience requirements by license type). More than one reference questionnaire signed and certified by a licensed well driller of the proper class or licensed pump installer may be necessary to cover the minimum required experience. If you have worked for more than one licensed person, check to make sure the number of months reported by the reference in the table equal the total number of years and months reported at the bottom of the page.
2. You may include a separate letter from one of the listed references that further describes your work experience in addition to the required Reference Questionnaire Form. While attaching this letter is optional, you may choose to do so to expand upon or clarify any information related to your work experience.

 Division of Water Supply and Geoscience
 Bureau of Water Allocation and Well Permitting

REFERENCE QUESTIONNAIRE AND VERIFICATION OF EXPERIENCE

(Note to applicants: each reference may attach a separate letter describing periods of supervised work provided this form is completed and notarized)

Please type or print clearly

Applicant's Name _____

Section A: Work Experience

1. State the start and end dates by month and year that you have supervised the applicant. If you supervised the applicant **intermittently** (such as periods of time when the applicant worked seasonally, work period was interrupted for military leave or school, worked for another employer or other), use a separate line for each period work.

From (specify year/month)	To (specify year/month)	Total Months Supervised

2. State the total years and months have you supervised the applicant in well drilling activities based on the information reported in the table above:

Years: _____

Months: _____

3. List the well drilling operations during which you have supervised the applicant (*for well driller exam applicants only*).

Please list as follows:

Well Use (Type of Well)	Depth of Well	Drilling Method	Date Drilled	N.J. Well Permit No. (if applicable)

A **total** of five (5) wells must be listed between all combined reference questionnaires.

Section B: Notarized Oath of Reference

I hereby certify that the information provided in this questionnaire is true to the best of my knowledge and belief.

Name of Reference (Please Print)

Signature of Reference
