Dear Interested Party:

The Department of Environmental Protection (Department) has finalized the following documents for the administration of the FFY2022/SFY2023 Clean Water State Revolving Fund (“CWSRF”) and the Drinking Water State Revolving Fund (“DWSRF”):

DRINKING WATER AND CLEAN WATER STATE REVOLVING FUND
<p>Final Amendments to the Final Drinking Water Intended Use Plan Federal Fiscal Year 2022/ State Fiscal Year 2023 and Final Amendments to the Final Clean Water Intended Use Plan Federal Fiscal Year 2022/ State Fiscal Year 2023</p>

The Intended Use Plans must be developed by the Department, undergo a public participation process, and be approved by the US Environmental Protection Agency (USEPA) for the Department to be awarded its capitalization grant used to finance water infrastructure projects.

The Amendments to the FFY 2022 CWSRF and DWSRF IUPs were proposed on September 1, 2022, with a 30-day comment period. No substantive changes have been made as a result of comments received on the Proposed Amendments to the Final DWSRF FFY2022/SFY2023 IUP or the Proposed Amendments to the Final CWSRF FFY2022/SFY2023 IUP. A copy of the Final Amended DWSRF and CWSRF IUPs are posted on the Department’s website at: <https://www.nj.gov/dep/wiip/project-lists.html>.

The Final Amendments to the Final Federal Fiscal Year 2022/State Fiscal Year 2023 Intended Use Plans for the Clean Water and Drinking Water State Revolving Funds detail how New Jersey will use \$295 million of American Resue Plan Act funding appropriated to the Department in SFY2023. The Amended IUPs are part of the state’s [Water Infrastructure Investment Plan](#) efforts. This innovative effort aims to understand better and resolve water infrastructure challenges plaguing New Jersey communities and utilities through short- and long-term investments that will create good-paying jobs while delivering safe, reliable drinking water, reducing flooding, and improving the quality of New Jersey’s waterways.

If you have any questions regarding the CWSRF IUP proposal, please contact Paul Hauch, Bureau Chief, Bureau of Construction Payments and Administration, Municipal Finance and Construction Element, Division of Water Quality at 609-292-8961 or [Paul.Hauch@dep.nj.gov](mailto:Paul.Hauch@dep.nj.gov).

If you have any questions regarding the DWSRF IUP, please contact Kristin Tedesco, Bureau Chief, Bureau of Water System Engineering, Water System Operations Element, Division of Water Supply and Geoscience at 609-292-2957 or [Kristin.Tedesco@dep.nj.gov](mailto:Kristin.Tedesco@dep.nj.gov).

Sincerely,

Patricia Ingelido, Director  
Division of Water Supply & Geoscience

Janice Brogle, Director  
Division of Water Quality
