

You are invited to the third in a series of three meetings about Barnegat Bay. This third meeting will be held on Friday, June 25 from 9 a.m. to 1 p.m. in the Meeting Room of the Toms River Municipal Building, Toms River, NJ. The focus of the meeting will be to identify recommendations for research and restoration efforts to improve the ecological health of Barnegat Bay. Agenda to follow. Please register by replying to: kerry.pflugh@dep.state.nj.us. See link below for directions.
