Barnegat Bay Stakeholder Meeting 1

Ocean County College, Toms River
Technology Building, Lecture Hall
9 a.m.- Noon
May 5, 2010

Agenda

Meeting goal: The goal of the meeting is to inventory the scientific work done to date related to the health of Barnegat Bay. The focus of this meeting will be a review of that science. Speakers have been asked to inventory and briefly discuss some of the work they have conducted. Attendees will be invited to provide any additional scientific information, so it can be included in the inventory.
