 - Current limitations or weaknesses
 - Stewardship in the future – new transformative possibilities
 - Process and Plans
- 3:00 PM Facilitated Discussion:
- Ground Rules (Dean Anderson)
- Round table forum discussion
 - C&E's goal is to gather information and input
 - DEP to report-out to group recommendations/outcome early 2013
 - Audio and list of attendees will be placed on DEP's Transformation website
- Discussion topics (Knutte Jensen, approximately 25 minutes each):
- **Value:** Stewardship's value to participants, environment and NJDEP
 - **Motivations:** Why do companies practice stewardship? Why participate in DEP's program?
 - **Obstacles:** Factors that limit participation in the program. Factors that limit voluntary adoption of environmentally beneficial actions.
 - **Improvement:** What concepts are likely to drive the greatest environmental benefit?
- 4:40 PM Review (Knutte Jensen, 20 min.)
- Do any concepts seem clearly well supported?
 - Do any concepts seem untenable?
 - What concepts did we overlook or cut short?
 - What concepts would participants like to explore further with us?
- 5:00 PM Adjourn
