

Dear Stakeholder,

The next meeting of the Stormwater Advisory Group will be held at The New Jersey Department of Environmental Protection Building (401 E. State Street, Trenton) in the 4th floor Large Conference Room from 2pm - 4pm on Tuesday, March 1st.

Meeting notes from the February 10th meeting and a list of comments received by the Department from the earlier two public informational sessions are attached.
[Attachments are sent to stakeholders] We are seeking your ideas on these comments and additional policy issues that need to be addressed in the rule.

The Department appreciates your attendance and in order to make sure that we are prepared requests that you RSVP by Monday, February 28, 2011 at noon. Please respond to me at Elizabeth.dragon@dep.state.nj.us with your availability.

Thank you.
