

Dear Stakeholder,

**The next meeting of the Stormwater Advisory Group will be held at The New Jersey Department of Environmental Protection Building (401 E. State Street, Trenton) in the 3<sup>rd</sup> floor Large Conference Room from 2pm - 4pm on Tuesday, March 22<sup>nd</sup>.**

Meeting notes from the March 1<sup>st</sup> meeting are attached. Please send me any additional policy issues that you have thought of and we will discuss them at the next meeting. We will also be discussing the priorities of the group at the next meeting, please forward me your organizations top 5 priorities so that they can be compiled prior to the next meeting.

The Department appreciates your attendance and in order to make sure that we are prepared requests that you RSVP by Monday, March 21, 2011 at noon. Please respond to me at [Elizabeth.dragon@dep.state.nj.us](mailto:Elizabeth.dragon@dep.state.nj.us) with your availability.

Thank you.
