

Weblinks to Stay Informed

Listservs

Interested Stakeholders may subscribe to various Listserv topics at the [NJDEP's Stakeholder Subscription Page](https://public.govdelivery.com/accounts/NJDEP/subscriber/new) (<https://public.govdelivery.com/accounts/NJDEP/subscriber/new>)

This website will first ask for the email or phone number where the information will be received. The next step is to select the different subscription topics.

- Updates on the Surface Water Quality Standards are provided under "Water Resource Management", "Water Monitoring and Standards", at the "Water Quality Assessment/Standards/TMDLs" listserv.
- Updates on the Site Remediation Program are provided under the "Site Remediation Waste Management Program" listserv.

Alternatively, subscription to the SWQS and Site Remediation Listservs can be requested in these webforms:

- SWQS: https://public.govdelivery.com/accounts/NJDEP/subscriber/new?qsp=NJDEP_26 (Select "Water Quality Assessment/Standards/TMDLs")
- Site Remediation: https://public.govdelivery.com/accounts/NJDEP/subscriber/new?qsp=NJDEP_10

Bulletin Board

Access the NJDEP's [Office of Quality Assurance Bulletin Board](https://www.nj.gov/dep/enforcement/oqa/bboard.html) at <https://www.nj.gov/dep/enforcement/oqa/bboard.html>

This website shares updates on the Department's laboratory certification requirements, information related to analytical methods, notifications, and more.
