

A public meeting to discuss the proposed changes in sewer service area designation has been scheduled for Wednesday, March 23, 2011 from 5:30 pm – 6:30 pm at the Berkeley Heights Public Library, Public Meeting Room, 290 Plainfield Avenue Berkeley Heights, NJ 07922. The Department and municipality will accept comments and information related to this map from the date of posting until April 24, 2011, 30 days after the public meeting.

Upon making final adjustments to the map after the close of the public comment period, an environmental build-out analysis will be developed for the delineated wastewater service areas to determine wastewater treatment facility capacity needs. Based on that analysis, further refinements to the wastewater service area designations may be necessary. Please note there will be an additional formal public comment process prior to plan adoption. The preliminary working draft map can be viewed at:
