REVISION TO THE CAPE MAY COUNTY WATER QUALITY MANAGEMENT PLAN

TAKE NOTICE that on AUG 04 1994, pursuant to the provisions of the Water Quality Planning Act, N.J.S.A. 58:11A-1 et seq., and the Statewide Water Quality Management Planning rules, N.J.A.C. 7:15-3.5, a revision to the Cape May County Water Quality Management Plan (WQMP) was adopted by the Department. This revision corrects an error in the Dennis Township Wastewater Management Plan (WMP) with regard to the delineation of the service area to the proposed Coastal Shores Resort. The WMP is corrected to specify the location of the proposed Coastal Shores Resort development, which includes permanent-type campsites, administration building, and recreational facilities, as Block 120, Lot 219 in Dennis Township. The development will be served by an on-site ground water disposal system treating a projected wastewater flow of 88,050 gallons per day.
