This revision also modifies the Lower Raritan/Middlesex County Wastewater Management Plan. This revision provides for the transfer of sewer service area and flows of Block 3-M, Lot 1-D and Block 1, Lot 2 in the Borough of Mountainside, from the Rahway Valley Sewerage Authority to the Middlesex County Utilities Authority. The currently developed property consists of two single family homes. The wastewater generated by the Mountainside revision that is to be transferred from Rahway Valley Sewerage Authority to the Middlesex County Utilities Authority will generate a total of 600 gallons per day (gpd). The Mountainside project site qualifies as a revision under N.J.A.C. 7:15-3.5 (b) 4ii as the project is a transfer of sewer service area from one domestic treatment works to another.
