

DEPARTMENT OF ENVIRONMENTAL PROTECTION
OFFICE OF ENVIRONMENTAL PLANNING

AMENDMENT TO THE MONMOUTH COUNTY WATER QUALITY MANAGEMENT
PLAN

Public Notice

Take notice that on **AUG 27 1998**, pursuant to the provisions of the New Jersey Water Quality Planning Act, N.J.S.A. 58:11A-1 et seq., and the Statewide Water Quality Management Planning rules (N.J.A.C. 7:15-3.4), an amendment to the Monmouth County Water Quality Management Plan was adopted by the Department of Environmental Protection. This amendment adds the proposed Woodland Crest at Tinton Falls development to the sewer service area of the Township of Ocean Sewerage Authority sewage treatment plant. The proposed project site is located on Block 123, Lots 50 and 53, in the Borough of Tinton Falls and consists of 45 single-family homes on 27.16 acres. It will result in a wastewater flow of 13,500 gallons per day. This amendment also modifies the Township of Ocean Sewerage Authority Wastewater Management Plan.

This amendment represents only one part of the permit process and other issues will be addressed prior to final permit issuance. Additional issues which were not reviewed in conjunction with this amendment but which may need to be addressed may include, but are not limited to, the following: antidegradation; effluent limitations; water quality analysis; exact locations and designs of future treatment works (pump stations, interceptors, sewers, outfalls, wastewater treatment plants); and development in wetlands, flood prone areas, designated Wild and Scenic River areas, or other environmentally sensitive areas which are subject to regulation under Federal or State statutes or rules.
