REVISION TO THE NORTHEAST WATER QUALITY MANAGEMENT PLAN

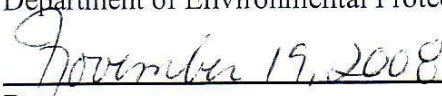

NOV 19 2008

TAKE NOTICE that on _____, pursuant to the provisions of the Water Quality Planning Act, N.J.S.A.58:11A-1 et seq., and the Statewide Water Quality Management Planning rules, N.J.A.C. 7:15-3.5, a revision to the Northeast Water Quality Management Plan (WQMP)/Pequannock River Basin Regional Sewerage Authority (PRBRSA) Wastewater Management Plan was adopted by the New Jersey Department of Environmental Protection (Department). This revision modifies the PRBRSA Wastewater Management Plan and updates the digital sewer service area (SSA) mapping adopted on October 6, 2006 to identify the site of Craven, Proposed Single-Family Dwelling located on Block 101, Lot 12 Kinnelon Borough, Morris County as PRBRSA Two Bridges Sewerage Authority Sewage Treatment Plant sewer service area.

In accordance with Section 58:11A-7.1 of the New Jersey Water Quality Planning Act, the amendment adopted on October 6, 2006 immediately revoked previously approved sewer service area in the Highlands Preservation Area where wastewater collection systems had not been installed as of August 10, 2004. This revocation, however, did not extend to any designated sewer service area necessary to serve development in the Highlands Preservation Area that is exempt from the provisions of P.L. 2004, c. 120 (C.13:20-1 et seq.) pursuant to subsection a. of section 30 of P.L. 2004, c. 120 (C.13:20-28).

The proposal located at Block 101, Lot 12 demonstrated with valid documentation that the project is exempt from the Highlands Water Protection and Planning Act. In accordance with N.J.A.C. 7:15-3.5(b)1, the Department has determined that the proposed project qualifies as a revision to correct, clarify, or update erroneous, unclear, or outdated statements in an areawide WQMP. This area, therefore, is reinstated as sewer service area in the Northeast WQMP/ PRBRSA Wastewater Management Plan and the digital sewer service area mapping. This mapping correction is authorized as a revision pursuant to N.J.A.C. 7:15-3.5(b)1.
