DIVISION OF POLICY AND PLANNING

REVISION TO THE NORTHEAST, TRI-COUNTY, AND UPPER RARITAN
WATER QUALITY MANAGEMENT PLANS

OCT - 6 2011

TAKE NOTICE that on pursuant to the provisions of the Water Quality Planning Act, N.J.S.A.58:11A-1 et seq, and the Statewide Water Quality Management Planning rules, N.J.A.C. 7:15-3.5, a revision to the Northeast, Tri-County, and Upper Raritan Water Quality Management (WQM) Plans was adopted by the Department. This revision updates the digital sewer service area (SSA) mapping to identify existing wastewater treatment facilities authorized under the Sanitary Subsurface Sewage Disposal System General (T1) Permit and to correct minor errors within the digitized sewer service area (SSA) mapping consistent with the appropriate adopted Areawide Water Quality Management Plans (WQMP) and Wastewater Management Plans (WMP). As provided under N.J.A.C. 7:15-3.5(b)1, this revision is adopted to correct or clarify information in the Areawide WQMP's.

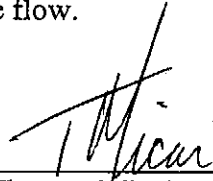

Within the Northeast WQM Planning Area in West Milford Township, Passaic County a correction has been made to identify the following approved T1 facilities: Belcher Run Shopping Center (NJG0173908), Commercial Building @ 2019 Greenwood Lake Turnpike (NJG0174530), Marion Plaza (NJG0175391), and Patricia Nicholson 4 Oak Ridge Road (NJG0174416). These existing facilities were omitted from the West Milford WMP at the time of approval.

Within the Tri-County WQM Planning Area in Deptford Township, Gloucester County a correction has been made to expand the Gloucester County Utility Authority (GCUA) Sewage Treatment Plant (STP) (NJ0024686) SSA to include Block 397 Lot 24, Tanyard Road Associates. The project site was issued a Treatment Works Approval (#08-0034) for a sanitary sewer extension on March 19, 2008 and should have been included in the recently approved GCUA WMP adopted on December 10, 2008.

Within the Upper Raritan WQM Planning Area in Readington Township, Hunterdon County a correction has been made to identify that Block 42 Lot 3.02 is currently served by the Readington-Lebanon Sewage Authority STP (NJ0098922).

Within the Upper Raritan WQM Planning Area in Mount Olive Township, Morris County a correction has been made to correctly identify the SSA boundary of the Hackettstown Municipal Utility Authority STP (NJ0021369) to include the Mountaintop Assembly of God site located on Block 8400 Lot 3 as identified in the Revision adopted November 22, 2010.

Corrections to the SSA attribute table have been made to update the necessary fields to indicate the appropriate WMP plans, facilities, planning agencies, NJPDES permit number and discharge flow.

Thomas Micai, Director
