

DEPARTMENT OF ENVIRONMENTAL PROTECTION
DIVISION OF WATER RESOURCES

AMENDMENT TO THE TRI-COUNTY WATER QUALITY MANAGEMENT PLAN

Public Notice

Take notice that on July 6, 1990, pursuant to the provisions of the Water Quality Planning Act, N.J.S.A. 58:11A-1 et seq., and the Statewide Water Quality Management Planning rules (N.J.A.C. 7:15-3.4), an amendment to the Tri-County Water Quality Management Plan was adopted by the Department. This amendment expands the sewer service are of the Evesham Municipal Utilities Authority to include Block 3201, Lot 1 in Medford Township, Burlington County. This lot was located in an area identified as suitable for individual subsurface sewage disposal systems, according to the Medford Township Wastewater Management Plan, but site conditions (i.e.: the presence of freshwater wetlands) precluded the use of such systems.

DATE: AUG 17 1990
