AMENDMENT TO THE TRI-COUNTY WATER QUALITY MANAGEMENT PLAN

Public Notice

Take notice that on JUL 14 1993 pursuant to the provisions of the New Jersey Water Quality Planning Act, N.J.S.A. 58:11A-1 et seq., and the Statewide Water Quality Management Planning rules (N.J.A.C. 7:15-3.4), an amendment to the Tri-County Water Quality Management Plan was adopted by the Department. This amendment transfers designation of the Affordable Living Development (Block 307, Lot 3) and the Moriuchi tract (Block 307, Lot 4) located west of Borton Landing Road and north of Westfield Road from sewer service area 2 (the proposed Creek Road Sewage Treatment Plant) to sewer service area 1 (the existing Pine Street Sewage Treatment Plant). The amendment also updates erroneous information contained within the adopted Moorestown Wastewater Management Plan. In addition, a small parcel of land below Salem Road and above Borton Landing Road that was not intended for sewer service was removed from sewer service area 2 (Block 7400, Lot 2).
