

File Name: Interim

N.J. Department of Environmental Protection
Division of Water Resources
Office of Water Quality Planning

INTERIM AMENDMENT TO THE NJ WATER QUALITY MANAGEMENT PLANS

County: Warren

Municipality: Greenwich Township

Adoption/Effective Date: November 20, 1990

Plan(s) Containing Interim Amendment:

- A. Statewide _____
- B. Areawide X

What Plan:

Upper Delaware

Amendment Being Proposed

(Include location within the WQM Plan(s) of the changes):

This amendment adopts a Wastewater Management Plan (WMP) for Greenwich Township (Township), Warren County. The WMP identifies: the area of the Township to be serviced by the Town of Phillipsburg Sewage Treatment Plant (STP); construction of a Southerly Region STP servicing the industrially zoned areas of the Township in the southern half of the Township; establishment of three on-site groundwater disposal areas; and the remainder of the Township served by individual subsurface sewage disposal systems. Updated Lopatcong Creek Sewerage Authority page and added map to the Upper Delaware Water Quality Management Plan.
