

DEPARTMENT OF ENVIRONMENTAL PROTECTION  
DIVISION OF WATERSHED MANAGEMENT

REVISION TO THE UPPER RARITAN WATER QUALITY MANAGEMENT PLAN  
(WQMP)

TAKE NOTICE that on **FEB 28 2008**, pursuant to the provisions of the Water Quality Planning Act, N.J.S.A.58:11A-1 et seq, and the Statewide Water Quality Management Planning rules, N.J.A.C. 7:15-3.5, a revision to the Upper Raritan Water Quality Management Plan was adopted by the Department. This revision modifies the Washington Township Municipal Utilities Authority (MUA) Wastewater Management Plan (WMP) by identifying the existing Sherwood Village Mobile Home Park located on Block 29, Lot 13 in Washington Township, Morris County. Sherwood Village is permitted under NJPDES Permit #NJG0105902 to discharge 9,625 gallons per day. Thirty five mobile home units utilize the on-site wastewater treatment system discharging to ground water at this site. Sherwood Village is located within the Highlands Preservation Area. As such, the sewer service area on site is limited to the existing building development. This revision updates the WMP pursuant to N.J.A.C. 7:15-3.5(b)1 which allows for revisions to correct, clarify, or update erroneous, unclear, or outdated statements in Statewide and area wide Water Quality Management Plans.

Lawrence J. Baier, Director
