Life and Health

Redomestications:

The New Jersey Department of Banking and Insurance will accept the UCAA Primary Application for redomestications of Life and/or Health Insurance Companies. Companies must also meet the seasoning requirements as described at N.J.A.C. 11:2-1.4(a)5I et seq.

Formations:

The Applicant Life and/or Health Company may submit a UCAA Primary Application prior to incorporation by the New Jersey Department of Banking and Insurance. If the Primary Application is found to be satisfactory to the Department, the Company would then be advised to proceed with the incorporation through the Department. Following the incorporation the Department will do an Organizational Examination. A Certificate of Authority would then be issued upon a satisfactory completion of the Organizational Examination.
