RE: AUTOMOBILE INSURANCE PREMIUM SURVEY

N.J.A.C. 11:3-45.3 directs all insurers authorized or admitted to transact private passenger automobile insurance in this State to prepare and file on or before September 15 of each year with the Department of Banking and Insurance ("Department") an annual premium survey reflecting premiums charged for specific automobile insurance coverages. Since all companies have only recently completed filing their new territorial rating plans, the Department has not yet completed new examples and territorial definitions to be used for the annual survey. The Department intends to require the filing of the annual premium survey this year and anticipates issuing a Bulletin with the new examples and territorial definitions for the 2010 survey by year's end.
