BULLETIN NO. 15 -05

TO: ALL NEW JERSEY PRIVATE PASSENGER AUTOMOBILE INSURERS

FROM: RICHARD J. BADOLATO, ACTING COMMISSIONER

**RE: ANNUAL PREMIUM SURVEY: N.J.A.C. 11:3-45
ANNUAL PREMIUM SURVEY INFORMATION**

Pursuant to N.J.S.A. 39:6A-23.1, the Commissioner of Banking and Insurance each year conducts a premium survey of private passenger automobile insurers and publishes the results for the benefit of consumers. N.J.A.C. 11:3-45 sets forth a standard procedure to be employed for the dissemination of the survey information. In accordance with N.J.A.C. 11:3-45.3(b), this Bulletin is being issued to advise all insurers of the survey information they should use to complete their annual responses.

Appendix #1 is a copy of the survey information from which the sample premiums shall be calculated. There are five survey examples with variations, and each of the sample premiums should be calculated for each specified zip code.

Appendix #2 is a copy of the approved survey certification form that should be completed by a corporate official attesting to the accuracy of the forms. A signed paper copy is not required.

Appendix #3 is a copy of the worksheet that shows the insurer's total premiums by example (see Appendix #1) and by zip code. Please provide a detailed explanation for every rating example where your company(ies) does(do) not have a premium calculated.

Appendix #4 is a worksheet that shows the insurer's calculations used to obtain the various coverages and the total premium for each example (Appendix #1) using 49 zip codes. Each Appendix #4 worksheet should identify the tier in which the risk is placed and all assumptions used in making this placement.

Companies not actively writing in the private passenger automobile market in New Jersey are not required to respond to this bulletin. Companies writing private passenger automobile insurance requesting an exemption should e-mail their request to the address below, stating the basis for the request, and include the NAIC number for all companies covered by the request.

Additional copies of this Bulletin, the criteria for rating examples and additional work

sheets can be obtained from the Department's web page: www.dobi.nj.gov.

The completed survey (Appendices 2, 3 and 4) should be submitted to the Department on or before October 1, 2015 and should reflect annual premiums that are effective as of October 1, 2015. Insurers that require a surplus contribution for new business are to reflect that.

The survey shall be submitted as an Excel spreadsheet by e-mail. The required blank Excel spreadsheet may be downloaded at the Department's web-site at www.dobi.nj.gov. The spreadsheet name is [2015-10-01.xls](#). Upon completion, the survey should be sent to:

E-Mail Address: reports@dobi.nj.gov

All insurers are reminded that failure to comply with these requirements may result in penalties authorized by law.
