*Complaint Ratio = Valid Complaints to 1,000 Insured Autos

Ratios Calculated for Companies with at least 10,000 autos

**Valid Complaints: The insurer, licensee, producer, or other regulated entity committed any violation of: an applicable state insurance law or regulation; a federal requirement that the state Department of Insurance has the authority to enforce; or, the term/condition of an insurance policy or certificate; or the complaint and entity's response, considered together, indicate that the entity was in error.

***Complaint Index = How the Insurer's Complaint Ratio compares with all other insurers on the report. The average is equal to 1.00 Below 1.00 is better; above 1.00 is worse
