- c) provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for treatment for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalizations in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of a [Member]'s particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of a [Member]'s particular condition, as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

1. Any medical device, drug, or biological product must have received final approval to market by the FDA for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:

- I. The American Hospital Formulary Service Drug Information; or
- II. The United States Pharmacopeia Drug Information.

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study or recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

2. Conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;
3. Demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
4. Proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
5. Proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

- a) is properly licensed, certified, or accredited to provide health care under the laws of the state in which it operates; and

Health Benefits Plan does not include one or more, or any combination of the following: coverage only for accident or disability income insurance, or any combination thereof; coverage issued as a supplement to liability insurance; liability insurance, including general liability insurance and automobile liability insurance; workers’ compensation or similar insurance; automobile medical payment insurance; credit-only insurance; coverage for on-site medical clinics; and other similar insurance coverage, as specified in federal regulations, under which benefits for medical care are secondary or incidental to other insurance benefits. Health Benefits Plans shall not include the following benefits if they are provided under a separate policy, certificate or contract of insurance or are otherwise not an integral part of the plan: limited scope dental or vision benefits; benefits for long term care, nursing home care, home health care, community based care, or any combination thereof; and such other similar, limited benefits as are specified in federal regulations. Health Benefits Plan shall not include hospital confinement indemnity coverage if the benefits are provided under a separate policy, certificate or contract of insurance, there is no coordination between the provision of the benefits and any exclusion of benefits under any group Health Benefits Plan maintained by the same Plan Sponsor, and those benefits are paid with respect to an event without regard to whether benefits are provided with respect to such an event under any Group Health Plan maintained by the same Plan Sponsor. Health Benefits Plan shall not include the following if it is offered as a separate policy, certificate or contract of insurance: Medicare supplemental health insurance as defined under section 1882(g)(1) of the federal Social Security Act; and coverage supplemental to the coverage provided under chapter 55 of Title 10, United States Code; and similar supplemental coverage provided to coverage under a Group Health plan.

ELIGIBILITY

EMPLOYEE COVERAGE

Eligible Employees

Subject to the Conditions of Eligibility set forth below, and to all of the other conditions of the Contract, all of the Contractholder's Employees[who are in an eligible class and] who reside in the Service Area will be eligible if [“DC”

- a)]the Employees are [Actively at Work] Full-Time Employees[.][“DC” and;
 - b) the Employees enroll under the associated Indemnity Plan.]
- [In certain situations, the Actively at Work requirement will not apply. If an Employee is not Actively at Work due to a Health Status-Related Factor, the Employee will nevertheless be considered an Eligible Employee. In addition, refer to the Exception below.]

For purposes of the Contract, We will treat partners, proprietors and independent contractors like Employees if they meet the Contract's **Conditions of Eligibility**.

Conditions of Eligibility

Full-Time Requirement

[Except where an Employee is not Actively at Work due to a Health Status-Related Factor, and except as stated below,] We will not cover an Employee unless the Employee is [an Actively at Work] [a] Full-Time Employee.

Enrollment Requirement

We will not cover the Employee until the Employee enrolls and agrees to make the required payments, if any. If the Employee does this within [30] days of the Employee's Eligibility Date, coverage will start on the Employee's Eligibility Date.

If the Employee enrolls and agrees to make the required payments, if any:

- a) more than [30] days after the Employee's Eligibility Date; or
- b) after the Employee previously had coverage which ended because the Employee failed to make a required payment,

We will consider the Employee to be a Late Enrollee. Late Enrollees are subject to the Contract's Pre-Existing Conditions limitation, if any applies.

When an Employee initially waives coverage under the Contract, the Plan Sponsor [or We] should notify the Employee of the requirement for the Employee to make a statement that waiver was because he or she was covered under another group plan, if such other coverage was in fact the reason for the waiver, and the consequences of that requirement. If an Employee initially waived coverage under the Contract and the Employee stated at that time that such waiver was because he or she was covered under another group plan, and Employee now elects to enroll under the Contract, We will not

consider the Employee [and his or her Dependents] to be [a] Late Enrollee[s], provided the coverage under the other plan ends due to one of the following events:

- a) termination of employment or eligibility;
- b) reduction in the number of hours of employment;
- c) involuntary termination;
- d) divorce or legal separation or dissolution of the civil union [or termination of the domestic partnership];
- e) death of the Employee's spouse;
- f) termination of the Employer's contribution toward coverage; or
- g) termination of the other plan's coverage.

But, the Employee must enroll under the Contract within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date the applicable event occurs.

If an Employee initially waived coverage under the Contract because he or she had coverage under a Consolidated Omnibus Budget Reconciliation Act (COBRA) continuation provision and the Employee requests coverage under the Contract within 30 days of the date the COBRA continuation ended, We will not consider the Employee to be a Late Enrollee. Coverage will take effect as of the date the COBRA continuation ended.

In addition, an Employee [and any Dependents] will not be considered [a] Late Enrollee[s] if the Employee is employed by an employer which offers multiple Health Benefits Plans and the Employee elects a different plan during the open enrollment period.

[Further, an Employee and his or her Dependent spouse, if any, will not be considered Late Enrollees because the Employee initially waived coverage under the Contract for himself or herself and any then existing Dependents provided the Employee enrolls to cover himself or herself and his or her existing Dependent spouse, if any, under the Contract within 30 days of the marriage, birth, adoption or placement for adoption of a Newly Acquired Dependent.]

[The Waiting Period

The Contract has the following waiting periods:

Employees in an eligible class on the Effective Date, who have completed at least [6 months] of continuous Full-Time service with the Contractholder by that date, are eligible for coverage under the Contract from the Effective Date.

Employees in an Eligible Class on the Effective Date, who have not completed at least [6 months] of continuous Full-Time service with the Contractholder by that date, are eligible for coverage under the Contract from the day after Employees complete [6 months] of continuous Full-Time service.

Employees who enter an eligible class after the Effective Date are eligible for coverage under the Contract from the day after Employees complete [6 months] of continuous Full-Time service with the Contractholder.]

The Contractholder who purchased the Contract may have purchased it to replace a plan the Contractholder had with some other carrier. An Employee may have satisfied part of the eligibility waiting period under the Contractholder's old plan before it ended. If so, the time satisfied will be used to satisfy the Contract's eligibility waiting period if:

- a) the Employee was employed by the Contractholder on the date the Contractholder's old plan ended; and
- b) the Contract takes effect immediately upon termination of the prior plan.

Any lapse in continuous service due to an absence which results from a Health Status-Related Factor will reduce the days of Full-Time service by the number of days of absence. Such lapse in continuous Full-Time service will not require that the period of continuous Full-Time service begin anew.

Multiple Employment

If an Employee works for both the Contractholder and a covered Affiliated Company, or for more than one covered Affiliated Company, We will treat the Employee as if only one entity employs the Employee. And such an Employee will not have multiple coverage under the Contract. But, if the Contract uses the amount of an Employee's earnings or number of work hours to determine class, or for any other reason, such Employee's earnings or number of work hours will be figured as the sum of his or her earnings or number of work hours from all Affiliated Companies.

When Employee Coverage Starts

[Except where an Employee is not Actively at Work due to a Health Status-Related Factor, and except as stated below, an] [An] Employee must be [Actively at Work, and] working his or her regular number of hours, on the date his or her coverage is scheduled to start. And he or she must have met all the conditions of eligibility which apply to him or her. [If an Employee is not Actively at Work on the scheduled Effective Date, and does not qualify for the exception to the Actively at Work requirement, We will postpone the start of his or her coverage until he or she returns to Active Work.]

[Sometimes, a scheduled Effective Date is not a regularly scheduled work day. But an Employee's coverage will start on that date if he or she was Actively at Work, and working his or her regular number of hours, on his or her last regularly scheduled work day.]

The Employee must elect to enroll and agree to make the required payments if any, within [30] days of the Employee's Eligibility Date. If he or she does this within [30] days of the Employee's Eligibility Date, his or her coverage is scheduled to start on the Employee's Eligibility Date. Such Employee's Eligibility Date is the Effective Date of an Employee's coverage.

If the Employee does this more than [30] days after the Employee's Eligibility Date, We will consider the Employee a Late Enrollee. Coverage is scheduled to start on the date We or Our authorized representative or agent receive the signed enrollment form.

[EXCEPTION to the Actively at Work Requirement

The Exception applies if the Contractholder who purchased the Contract purchased it to replace a plan the Contractholder had with some other carrier. An Employee who is not Actively at Work due to Total Disability on the date the Contract takes effect will initially be eligible for limited coverage under the Contract if:

- a) the Employee was validly covered under the Contractholder's old plan on the date the Contractholder's old plan ended; and
- b) the Contract takes effect immediately upon termination of the prior plan.

Except as stated below, the coverage under the Contract will be limited to coverage for services or supplies for conditions other than the disabling condition. Such limited coverage under the Contract will end one year from the date the person's coverage under the Contract begins. Coverage for services or supplies for the disabling condition will be provided as stated in an extended health benefits, or like provision, contained in the Contractholder's old plan. Thereafter, coverage will not be limited as described in this provision, but will be subject to the terms and conditions of the Contract.]

Exception: If the coverage under the Contract is richer than the coverage under the Contractholder's old plan, the Contract will provide coverage for services and supplies related to the disabling condition. The Contract will coordinate with the Contractholder's old plan, with the Contract providing secondary coverage, as described in the Coordination of Benefits and Services provision.

When Employee Coverage Ends

An Employee's coverage under the Contract will end on the first of the following dates:

- a) [the date] an Employee ceases to be [an Actively at Work] [a] Full-Time Employee for any reason. Such reasons include death, retirement, lay-off, leave of absence, and the end of employment.
- b) [the date] an Employee stops being an eligible Employee under the Contract.
- c) the date the Contract ends,[or is discontinued for a class of Employees to which the Employee belongs.]
- d) [the date] for which required payments are not made for the Employee, subject to the **Payment of Premiums - Grace Period** section.
- e) [the date] an Employee moves his or her permanent residence outside the Service Area.]
- [“DC” f) [the date] an Employee ceases to be insured under the associated Indemnity Plan.]

[DEPENDENT COVERAGE

Eligible Dependents for Dependent Health Benefits

[Except as stated below, Your] [Your] eligible Dependents are:

- a) Your legal spouse which shall include a civil union partner pursuant to P.L. 2006, c. 103 as well as same sex relationships legally recognized in other jurisdictions when such relationships provide substantially all of the rights and benefits of marriage. [and domestic partner pursuant to P.L. 2003, c. 246]; except that legal spouse shall be limited to spouses of a marriage as marriage is defined in the Federal Defense of Marriage Act, 1 U.S.C.A. 7, with respect to:
- the provisions of the Policy regarding continuation rights required by the Federal Consolidated Omnibus Reconciliation Act of 1986 (COBRA), Pub. L. 99-272, as subsequently amended) (Neither domestic partners nor civil union partners have COBRA rights..) and
 - The provisions of this Contract regarding Medicare Eligibility by Reason of Age and Medicare Eligibility by Reason of Disability.
- b) Your Dependent children who are under age 26;

[Exception: Any dependent who does not reside in the Service Area is not an eligible Dependent.]

Adopted Children and Step-Children

Your " Dependent children" include Your legally adopted children, Your step-children, the child of his or her civil union partner, [and] [, the child of his or her domestic partner, and] children under a court appointed guardianship. [Carrier] will treat a child as legally adopted from the time the child is placed in the home for the purpose of adoption. [Carrier] will treat such a child this way whether or not a final adoption order is ever issued.

Incapacitated Children

An Employee may have an unmarried child with a mental or physical handicap, or developmental disability, who is incapable of earning a living. Subject to all of the terms of this section and the plan, such a child may stay eligible for Dependent health benefits past the Contract's age limit for eligible Dependents.

The child will stay eligible as long as the child is and remains unmarried and incapable of earning a living, if:

- a) the child's condition started before he or she reached the Contract's age limit;
- b) the child depends on the Employee for most of his or her support and maintenance; and
- c) the child became covered by the Contract or any other policy or contract before the child reached the age limit and stayed continuously covered after reaching such limit.

But, for the child to stay eligible, the Employee must send Us written proof that the child is handicapped or developmentally disabled and depends on the Employee for most of his or her support and maintenance. The Employee has 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. But, after two years, We cannot ask for this more than once a year.

The child's coverage ends when the Employee's coverage does.

Enrollment Requirement

You must enroll Your eligible Dependents in order for them to be covered under the Contract. [“DC” Only eligible Dependents who You include for coverage under the associated Indemnity Plan may be enrolled under this HMO Plan.] [Carrier] considers an eligible Dependent to be a Late Enrollee, if You:

- a) enroll a Dependent [and agrees to make the required payments] more than [30] days after the Dependent's Eligibility Date;
- b) in the case of a Newly Acquired Dependent, have other eligible Dependents whose coverage previously ended because You failed to make the required contributions, or otherwise chose to end such coverage.

Late Enrollees age 19 or older are subject to the Contract's Pre-Existing Conditions limitations section, if any applies.

If Your dependent coverage ends for any reason, including failure to make the required payments, Your Dependents will be considered Late Enrollees when their coverage begins again.

When an Employee initially waives coverage for a spouse and/or eligible Dependent children under the Contract, the Plan Sponsor [or We] should notify the Employee of the requirement for the Employee to make a statement that waiver was because the spouse and/or eligible Dependent children were covered under another group plan, if such other coverage was in fact the reason for the waiver, and the consequences of that requirement. If the Employee previously waived coverage for the Employee's spouse or eligible Dependent children under the Contract and stated at that time that such waiver was because they were covered under another group plan, and the Employee now elects to enroll them in the Contract, the Dependent will not be considered a Late Enrollee, provided the Dependent's coverage under the other plan ends due to one of the following events:

- a) termination of employment or eligibility;
- b) reduction in the number of hours of employment;
- c) involuntary termination;
- d) divorce or legal separation or dissolution of the civil union [or termination of the domestic partnership];
- e) death of the Employee's spouse;
- f) termination of the employer's contribution toward coverage that was made by the employer that offered the group plan under which the Dependent was covered; or
- g) termination of the other plan's coverage.

But, the Employee's spouse or eligible Dependent children must be enrolled by the Employee within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date the applicable event occurs.

And, We will not consider an Employee's spouse or eligible Dependent children for which the Employee initially waived coverage under the Contract, to be a Late Enrollee, if:

- a) the Employee is under legal obligation to provide coverage due to a court order; and
- b) the Employee's spouse or eligible Dependent children are enrolled by the Employee within 30 days of the issuance of the court order.

Coverage will take effect as of the date required pursuant to the court order.

In addition, if an Employee initially waived coverage under the Contract for the Employee's spouse or eligible Dependent children because the spouse and/or Dependent children had coverage under a Consolidated Omnibus Budget Reconciliation Act (COBRA) continuation provision and the Employee requests coverage for the spouse and/or Dependent children under the Contract within 30 days of the date the COBRA continuation ended, We will not consider the spouse and/or Dependent children to be Late Enrollees. Coverage will take effect as of the date the COBRA continuation ended.

When Dependent Coverage Starts

In order for an Employee's dependent coverage to begin the Employee must already be covered for Employee coverage or enroll for Employee and Dependent coverage at the same time. Subject to all of the terms of the Contract, the date an Employee's dependent coverage starts depends on when the Employee elects to enroll the Employee's Initial Dependents[and agrees to make any required payments].

If the Employee does this within [30] days of the Dependent's Eligibility Date, the Dependent's Coverage is scheduled to start on the later of:

- a) the Dependent's Eligibility Date, or
- b) the date the Employee becomes covered for Employee coverage.

If the Employee does this more than [30] days after the Dependent's Eligibility Date, We will consider the Dependent a Late Enrollee. Coverage is scheduled to start on the later of:

- a) the date We or Our authorized representative or agent receives the enrollment form; or
- b) the date the Employee becomes covered for Employee coverage.

Once an Employee has dependent coverage for Initial Dependents, the Employee must notify Us of a Newly Acquired Dependent within the [30] days after the Newly Acquired Dependent's Eligibility Date. If the Employee does not, the Newly Acquired Dependent is a Late Enrollee.

A Newly Acquired Dependent other than a newborn child or newly adopted child, including a child placed for adoption, will be covered from the later of:

- a) the date the Employee notifies Us [and agrees to make any additional payments], or
- b) the Dependent's Eligibility Date for the Newly Acquired Dependent.

If the Contractholder who purchased the Contract purchased it to replace a plan the Contractholder had with some other carrier, a Dependent who is Totally Disabled on the date the Contract takes effect will initially be eligible for limited coverage under the Contract if:

- a) the Dependent was validly covered under the Contractholder's old plan on the date the Contractholder's old plan ended; and
- b) the Contract takes effect immediately upon termination of the prior plan.

The coverage under the Contract will be limited to coverage for services or supplies for conditions other than the disabling condition. Such limited coverage under the Contract will end one year from the date the person's coverage under the Contract begins. Coverage for services or supplies for the disabling condition will be provided as stated in an extended health benefits, or like provision, contained in the Contractholder's old plan. Thereafter, coverage will not be limited as described in this provision, but will be subject to the terms and conditions of the Contract.

Newborn Children

We will cover an Employee's newborn child for 31 days from the date of birth without additional premium. Coverage may be continued beyond such 31 day period as stated below:

- a) If the Employee is already covered for Dependent child coverage on the date the child is born, coverage automatically continues beyond the initial 31 days, provided the premium required for Dependent child coverage continues to be paid. The Employee must notify Us of the birth of the newborn child as soon as possible in order that We may properly provide coverage under the Contract.
- b) If the Employee is not covered for Dependent child coverage on the date the child is born, the Employee must:
 - 1) give written notice to enroll the newborn child[; and
 - 2) pay the premium required for Dependent child coverage within 31 days after the date of birth.]

If the notice is not given and the premium is not paid within such 31-day period, the newborn child's coverage will end at the end of such 31-day period. If the notice is given and the premium paid after that 31-day period, the child will be a Late Enrollee.

When Dependent Coverage Ends:

A Dependent's coverage under the Contract will end on the first of the following dates:

- a) [the date]Employee coverage ends;
- [b) the date the Employee stops being a member of a class of Employees eligible for such coverage;]
- [c)]. the date the Contract ends;
- [d)]. the date Dependent coverage is dropped from the Contract for all Employees eligible for such coverage;

[e). the date an Employee fails to pay any required part of the cost of Dependent coverage. It ends on the last day of the period for which the Employee made the required payments, unless coverage ends earlier for other reasons.]

[f)]. at 12:01 a.m. [on the last day of the calendar month following] [on] the date the Dependent stops being an eligible Dependent.

[g)]. with respect to a Dependent spouse, the date the spouse moves his or her permanent residence outside the Service Area.]

[“DC” h) the date the Dependent ceases to be insured under the associated Indemnity Plan.]]

If the Contract ends and a [Member] is Totally Disabled and under a Practitioner’s care, We will extend health benefits for that person under the Contract as explained below. This is done at no cost to the [Member].

We will only extend benefits for a [Member] due to the disabling condition. Any services and supplies must be provided before the extension ends. And what We cover is based on all the terms of the Contract.

We do not cover services, supplies or charges due to other conditions. And, We do not cover services, supplies or charges incurred by other family members.

The extension ends on the earliest of:

- a) the date the Total Disability ends;
- b) one year from the date the person’s coverage under the Contract ends; or
- c) the date the person has reached the payment limit, if any, for his or her disabling condition.

The Employee must submit evidence to Us that he or she or his or her Dependent is Totally Disabled, if We request it.

In an Emergency, a [Member] may go directly to the emergency room. If a [Member] does, then the [Member] must call his or her Primary Care Physician [or the Care Manager] and [Member] Services within 48 hours. If a [Member] does not call within 48 hours, We will provide services ["DC" under this HMO Plan] only if We [or the Care Manager] Determine that notice was given as soon as was reasonably possible.

["DC" Note: Under the terms of the associated Indemnity Plan, there is no requirement that the Member contact a Primary Care Physician to access services or supplies, but all benefits are subject to the terms and conditions of the associated Indemnity Plan.]

[THE ROLE OF THE CARE MANAGER. The Care Manager will manage a [Member's] treatment for [Mental Illness, or Substance Abuse]. A [Member] must contact the Care Manager or the [Member's] Primary Care Physician when a [Member] needs treatment for one of these conditions.]

When an Employee first obtains this coverage, the Employee and each of the Employee's covered Dependents must select a Primary Care Physician [or Health Center].

[Members] select a Primary Care Physician [or Health Center] from Our [Physician or Practitioners Directory]; this choice is solely a [Member's]. However, We cannot guarantee the availability of a particular Practitioner. If the Primary Care Physician initially selected cannot accept additional patients, a [Member] will be notified and given an opportunity to make another Primary Care Physician selection. [If a [Member] fails to select a Primary Care Physician [or Health Center], We will make a selection on behalf of the [Member].]

[After initially selecting a Primary Care Physician, [Members] can transfer to different Primary Care Physicians if the physician-patient relationship becomes unacceptable. The [[Member] can select another Primary Care Physician from Our [Physician or Practitioners] Directory].

[For a discretionary change of PCP, the new PCP selection will take effect no more than 14 days following the date of the request. For a change necessitated by termination of the prior PCP from the Network, the new PCP selection will take effect immediately.

IDENTIFICATION CARD

The Identification Card issued by Us to [Members] pursuant to the Contract is for identification purposes only. Possession of an Identification Card confers no right to services or benefits under the Contract, and misuse of such Identification Card constitutes grounds for termination of [Member's] coverage. If the [Member] who misuses the card is the Employee, coverage may be terminated for the Employee as well as any of the Employee's Dependents who are [Members]. To be eligible for services or benefits under the Contract, the holder of the card must be a [Member] on whose behalf all applicable premium charges under the Contract have been paid. Any person receiving services or benefits which he or she is not entitled to receive pursuant to the provisions of the Contract shall be charged for such services or benefits at prevailing rates.

If any [Member] permits the use of his or her Identification Card by any other person, such card may be retained by Us, and all rights of such [Member] and his or her Dependents, if any, pursuant to the Contract shall be terminated immediately, subject to the Appeals Procedures.

In the event that due to circumstances not within Our reasonable control, including but not limited to major disaster, epidemic, complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Our [Network] Providers or entities with whom We have arranged for services under the Contract, or similar causes, the rendition of medical or hospital benefits or other services provided under the Contract is delayed or rendered impractical, We shall not have any liability or obligation on account of such delay or failure to provide services. We are required only to make a good faith effort to provide or arrange for the provision of services, taking into account the impact of the event.

A [Member] who refuses procedures, medicines or courses of treatment has the right to seek a second opinion from another [Network] Practitioner. If such [Network] Practitioner(s) believe(s) that the recommended procedures, medicines, or courses of treatment are Medically Necessary and Appropriate, the [Network] Practitioner shall inform the [Member] of the consequences of not complying with the recommended procedures, medicines, or courses of treatment and seek to resolve the disagreement with the [Member] and or the [Member's] family or other person acting on the [Member's] behalf. If the [Member] refuses to comply with recommended procedures, medicines, or courses of treatment, We will notify the [Member] in writing that We will not provide further benefits or services for the particular condition or its consequences ["DC" under this HMO Plan]. The [Member's] decision to reject Medically Necessary and Appropriate procedures, medicines, or courses of treatment is subject to the Appeals Procedure and We will continue to provide all benefits covered by the Contract during the pendency of the Appeals Procedure. We reserve the right to expedite the Appeals Procedure. If the Appeals Procedure results in a decision upholding the position of the [Network] Practitioner(s) and the dispute is unresolved, We will have no further responsibility to provide any of the benefits available under the Contract for treatment of such condition or its consequences unless the [Member] asks, in writing and within 7 days of being informed of the result of the Appeals Procedure, to terminate his or her coverage under the Contract. In such event, We will continue to provide all benefits covered by the Contract for 30 days or until the date of termination, whichever comes first, and We and the [Network] Practitioner will cooperate with the [Member] in facilitating a transfer of care.

We will not, however, seek reimbursement from an eligible [Member] for the cost of any covered benefit provided under the Contract that is later Determined to have been medically unnecessary and inappropriate, when such service is rendered by a Primary Care Physician or a Provider referred in writing by the Primary Care Physician without notifying the [Member] that such benefit would not be covered under the Contract.

LIMITATION ON SERVICES

Except in cases of Emergency, services ["DC" under this HMO Plan] are available only from Network Providers. Coordination of benefits is intended to avoid duplication of benefits while at the same time preserving certain rights to coverage under all Plans under which the [Member] is covered.

[Carrier] will not consider the difference between the cost of a private hospital room and that of a semi-private hospital room as an Allowable Expense unless the stay in a private room is Medically Necessary and Appropriate.

Allowed Charge: An amount that is not more than the usual or customary charge for the service or supply as determined by Us, based on a standard which is most often charged for a given service by a Provider within the same geographic area .

Claim Determination Period: A Calendar Year, or portion of a Calendar Year, during which a [Member] is covered by this [Contract] and at least one other Plan and incurs one or more Allowable Expense(s) under such plans.

Plan: Coverage with which coordination of benefits is allowed. Plan includes:

- c) Group or group-type coverage through a health maintenance organization (HMO) or other prepayment, group practice and individual practice plans, including insurance continued pursuant to a Federal or State continuation law;
- d) Group hospital indemnity benefit amounts that exceed \$150 per day;
- e) Medicare or other governmental benefits, except when, pursuant to law, the benefits must be treated as in excess of those of any private insurance plan or non-governmental plan.

Plan does not include:

- a) Individual or family insurance contracts or subscriber contracts;
- b) Individual or family coverage through a health maintenance organization or under any other prepayment, group practice and individual practice plans;
- c) Group or group-type coverage where the cost of coverage is paid solely by the [Member] except that coverage being continued pursuant to a Federal or State continuation law shall be considered a Plan;
- d) Group hospital indemnity benefit amounts of \$150 per day or less;
- e) School accident –type coverage;
- f) A State plan under Medicaid.

Primary Plan: A Plan whose benefits for a [Member’s] health care coverage must be determined without taking into consideration the existence of any other Plan. There may be more than one Primary Plan. A Plan will be the Primary Plan if either either “a” or “b” below exist:

- a) The Plan has no order of benefit determination rules, or it has rules that differ from those contained in this Coordination of Benefits and Services provision; or
- b) All Plans which cover the [Member] use order of benefit determination rules consistent with those contained in the Coordination of Benefits and Services provision and under those rules, the plan determines its benefits first.

Secondary Plan: A Plan which is not a Primary Plan. If a [Member] is covered by more than one Secondary Plan, the order of benefit determination rules of this Coordination of Benefits and Services provision shall be used to determine the order in which the benefits payable under the multiple Secondary Plans are paid in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under this Coordination of Benefits and Services provision, has its benefits determined before those of that Secondary Plan.

PRIMARY AND SECONDARY PLAN

We consider each plan separately when coordinating payments.

The Primary Plan pays or provides services or supplies first, without taking into consideration the existence of a Secondary Plan. If a Plan has no coordination of benefits

provision, or if the order of benefit determination rules differ from those set forth in these provisions, it is the Primary Plan.

A Secondary Plan takes into consideration the benefits provided by a Primary Plan when, according to the rules set forth below, the plan is the Secondary Plan. If there is more than one Secondary Plan, the order of benefit determination rules determine the order among the Secondary Plans. During each Claim Determination Period, the Secondary Plan(s) will pay up to the remaining unpaid allowable expenses, but no Secondary Plan will pay more than it would have paid if it had been the Primary Plan. The method the Secondary Plan uses to determine the amount to pay is set forth below in the **“Procedures to be Followed by the Secondary Plan to Calculate Benefits”** section of this provision.

The Secondary Plan shall not reduce Allowable Expenses for medically necessary and appropriate services or supplies on the basis that precertification, preapproval, notification or second surgical opinion procedures were not followed.

RULES FOR THE ORDER OF BENEFIT DETERMINATION

The benefits of the Plan that covers the [Member] as an employee, member, subscriber or retiree shall be determined before those of the Plan that covers the [Member] as a Dependent. The coverage as an employee, member, subscriber or retiree is the Primary Plan.

The benefits of the Plan that covers the [Member] as an employee who is neither laid off nor retired, or as a dependent of such person, shall be determined before those for the Plan that covers the [Member] as a laid off or retired employee, or as such a person's Dependent. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.

The benefits of the Plan that covers the [Member] as an employee, member, subscriber or retiree, or Dependent of such person, shall be determined before those of the Plan that covers the [Member] under a right of continuation pursuant to Federal or State law. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.

If a child is covered as a Dependent under Plans through both parents, and the parents are neither separated nor divorced, the following rules apply:

- a) The benefits of the Plan of the parent whose birthday falls earlier in the Calendar Year shall be determined before those of the parent whose birthday falls later in the Calendar Year.
- b) If both parents have the same birthday, the benefits of the Plan which covered the parent for a longer period of time shall be determined before those of plan which covered the other parent for a shorter period of time.
- c) Birthday, as used above, refers only to month and day in a calendar year, not the year in which the parent was born.

- d) If the other plan contains a provision that determines the order of benefits based on the gender of the parent, the birthday rule in this provision shall be ignored.

If a child is covered as a Dependent under Plans through both parents, and the parents are separated or divorced, the following rules apply:

- a) The benefits of the Plan of the parent with custody of the child shall be determined first.
- b) The benefits of the Plan of the spouse of the parent with custody shall be determined second.
- c) The benefits of the Plan of the parent without custody shall be determined last.
- d) If the terms of a court decree state that one of the parents is responsible for the health care expenses for the child, and if the entity providing coverage under that Plan has actual knowledge of the terms of the court decree, then the benefits of that plan shall be determined first. The benefits of the plan of the other parent shall be considered as secondary. Until the entity providing coverage under the plan has knowledge of the terms of the court decree regarding health care expenses, this portion of this provision shall be ignored.

If the above order of benefits does not establish which plan is the Primary Plan, the benefits of the Plan that covers the employee, member or subscriber for a longer period of time shall be determined before the benefits of the Plan(s) that covered the person for a shorter period of time.

Procedures to be Followed by the Secondary Plan to Calculate Benefits

In order to determine which procedure to follow it is necessary to consider:

- a) the basis on which the Primary Plan and the Secondary Plan pay benefits; and
- b) whether the provider who provides or arranges the services and supplies is in the network of either the Primary Plan or the Secondary Plan.

Benefits may be based on the Allowed Charge (AC), or some similar term. This means that the provider bills a charge and the [Member] may be held liable for the full amount of the billed charge. In this section, a Plan that bases benefits on an Allowed Charge is called an “AC Plan.”

Benefits may be based on a contractual fee schedule, sometimes called a negotiated fee schedule, or some similar term. This means that although a provider, called a network provider, bills a charge, the [Member] may be held liable only for an amount up to the negotiated fee. In this section, a Plan that bases benefits on a negotiated fee schedule is called a “Fee Schedule Plan.” If the [Member] uses the services of a non-network provider, the plan will be treated as an AC Plan even though the plan under which he or she is covered allows for a fee schedule.

Payment to the provider may be based on a “capitation”. This means that then HMO or other plans pays the provider a fixed amount per [Member]. The [Member] is liable only for the applicable deductible, coinsurance or copayment. If the [Member] uses the

services of a non-network provider, the HMO or other plans will only pay benefits in the event of emergency care or urgent care. In this section, a Plan that pays providers based upon capitation is called a “Capitation Plan.”

In the rules below, “provider” refers to the provider who provides or arranges the services or supplies and “HMO” refers to a health maintenance organization plan.

Primary Plan is an AC Plan and Secondary Plan is an AC Plan

The Secondary Plan shall pay the lesser of:

- a) the difference between the amount of the billed charges and the amount paid by the Primary Plan; or
- b) the amount the Secondary Plan would have paid if it had been the Primary Plan.

When the benefits of the Secondary Plan are reduced as a result of this calculation, each benefit shall be reduced in proportion, and the amount paid shall be charged against any applicable benefit limit of the plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is Fee Schedule Plan

If the provider is a network provider in both the Primary Plan and the Secondary Plan, the Allowable Expense shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- a) The amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- b) the amount the Secondary Plan would have paid if it had been the Primary Plan.

The total amount the provider receives from the Primary plan, the Secondary plan and the [Member] shall not exceed the fee schedule of the Primary Plan. In no event shall the [Member] be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

Primary Plan is an AC Plan and Secondary Plan is Fee Schedule Plan

If the provider is a network provider in the Secondary Plan, the Secondary Plan shall pay the lesser of:

- a) the difference between the amount of the billed charges for the Allowable Expenses and the amount paid by the Primary Plan; or
- b) the amount the Secondary Plan would have paid if it had been the Primary Plan.

The [Member] shall only be liable for the copayment, deductible or coinsurance under the Secondary Plan if the [Member] has no liability for copayment, deductible or coinsurance under the Primary Plan and the total payments by both the primary and Secondary Plans are less than the provider’s billed charges. In no event shall the [Member] be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is an AC Plan

If the provider is a network provider in the Primary Plan, the Allowable Expense considered by the Secondary Plan shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- a) The amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- b) the amount the Secondary Plan would have paid if it had been the Primary Plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is an AC Plan or Fee Schedule Plan

If the Primary Plan is an HMO plan that does not allow for the use of non-network providers except in the event of urgent care or emergency care and the service or supply the [Member] receives from a non-network provider is not considered as urgent care or emergency care, the Secondary Plan shall pay benefits as if it were the Primary Plan.

Primary Plan is Capitation Plan and Secondary Plan is Fee Schedule Plan or an AC Plan

If the [Member] receives services or supplies from a provider who is in the network of both the Primary Plan and the Secondary Plan, the Secondary Plan shall pay the lesser of:

- a) The amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- b) the amount the Secondary Plan would have paid if it had been the Primary Plan.

Primary Plan is Capitation Plan or Fee Schedule Plan or R&C Plan and Secondary Plan is Capitation Plan

If the [Member] receives services or supplies from a provider who is in the network of the Secondary Plan, the Secondary Plan shall be liable to pay the capitation to the provider and shall not be liable to pay the deductible, coinsurance or copayment imposed by the Primary Plan. The [Member] shall not be liable to pay any deductible, coinsurance or copayments of either the Primary Plan or the Secondary Plan.

Primary Plan is an HMO and Secondary Plan is an HMO

If the Primary Plan is an HMO plan that does not allow for the use of non-network providers except in the event of urgent care or emergency care and the service or supply the [Member] receives from a non-network provider is not considered as urgent care or emergency care, but the provider is in the network of the Secondary Plan, the Secondary Plan shall pay benefits as if it were the Primary Plan. Except that the Primary Plan shall pay out-of-Network services, if any, authorized by the Primary Plan.

SERVICES FOR AUTOMOBILE RELATED INJURIES

This section will be used to determine a [Member's] coverage under the Contract when services are provided as a result of an automobile related Injury.

Definitions

"Automobile Related Injury" means bodily Injury sustained by a [Member] as a result of an accident:

- a) while occupying, entering, leaving or using an automobile; or
- b) as a pedestrian;

caused by an automobile or by an object propelled by or from an automobile.

"Allowable Expense" means a medically necessary, reasonable and customary item of expense covered at least in part as an eligible expense or eligible services by:

- a) the Contract;
- b) PIP; or
- c) OSAIC.

"Eligible Services" means services provided for treatment of an Injury which is covered under the Contract without application of Cash Deductibles and Copayments, if any or Coinsurance.

"Out-of-State Automobile Insurance Coverage" or "OSAIC" means any coverage for medical expenses under an automobile insurance policy other than PIP. OSAIC includes automobile insurance policies issued in another state or jurisdiction.

"PIP" means personal injury protection coverage provided as part of an automobile insurance policy issued in New Jersey. PIP refers specifically to provisions for medical expense coverage.

Determination of primary or secondary coverage.

The Contract provides secondary coverage to PIP unless health coverage has been elected as primary coverage by or for the [Member] under the Contract. This election is made by the named insured under a PIP policy. Such election affects that person's family members who are not themselves named insureds under another automobile policy. The Contract may be primary for one [Member], but not for another if the person has a separate automobile policy and has made different selection regarding primacy of health coverage.

The Contract is secondary to OSAIC, unless the OSAIC contains provisions which make it secondary or excess to the Contractholder's plan. In that case the Contract will be primary.

If there is a dispute as to which policy is primary, the Contract will pay benefits or provide services as if it were primary.

Services the Contract will provide if it is primary to PIP or OSAIC.

If the Contract is primary to PIP or OSAIC it will provide benefits for eligible expenses in accordance with its terms.

The rules of the **COORDINATION OF BENEFITS AND SERVICES** section of the Contract will apply if:

- a) the [Member] is insured or covered for services under more than one insurance plan; and
- b) such insurance plans or HMO Contracts are primary to automobile insurance coverage.

Benefits the Contract will pay if it is secondary to PIP or OSAIC.

If the Contract is secondary to PIP or OSAIC the actual benefits payable will be the lesser of:

- a) the Allowable Expenses left uncovered after PIP or OSAIC has provided coverage after applying Cash Deductibles and Copayments, or
- b) the equivalent value of services if the Contract had been primary.

GENERAL PROVISIONS

CLERICAL ERROR - MISSTATEMENTS

Except as stated below, neither clerical error nor programming or systems error by the Contractholder, nor Us in keeping any records pertaining to coverage under the Contract, nor delays in making entries thereon, will invalidate coverage which would otherwise be in force, or continue coverage which would otherwise be validly terminated. Upon discovery of such error or delay, an appropriate adjustment of premiums will be made, as permitted by law.

Exception: If an Employee contributed toward the premium payment and coverage continued in force beyond the date it should have been validly terminated as a result of such error or delay, the continued coverage will remain in effect through the end of the period for which the Employee contributed toward the premium payment and no premium adjustment will be made.

Premium adjustments involving return of unearned premium to the Contractholder for such errors or delays will be made only if the Employee did not contribute toward the premium payment. Except as stated in the Premium Refunds section of the **Premium Amounts** provision of the Contract, such return of premium will be limited to the period of 12 months preceding the date of Our receipt of satisfactory evidence that such adjustments should be made.

If the age or gender of an Employee is found to have been misstated, and the premiums are thereby affected, an equitable adjustment of premiums will be made.

RETROACTIVE TERMINATION OF A [MEMBER'S] COVERAGE

We will not retroactively terminate a [Member's] coverage under the Contract after coverage under the Contract take effect unless the [Member] performs an act, practice, or omission that constitutes fraud, or unless the [Member] makes an intentional misrepresentation of material fact. In the event of such fraud or material misrepresentation We will provide at least 30 days advance written notice to each [Member] whose coverage will be retroactively terminated.

If a Contractholder continues to pay the full premium for a [Member] who is no longer eligible to be covered the Contractholder may request a refund of premium as explained in the Premium Refunds provision of the Contract. If We refund premium to the Contractholder the refund will result in the retroactive termination of the [Member's] coverage. The retroactive termination date will be the end of the period for which premium remains paid. Coverage will be retroactively terminated for the period for which premium is refunded.

CONFORMITY WITH LAW

Any provision of the Contract which, is in conflict with the laws of the State of New Jersey, or with Federal law, shall be construed and applied as if it were in full compliance with the minimum requirements of such State law or Federal law.

CONTINUING RIGHTS

Our failure to apply terms or conditions does not mean that We waive or give up any future rights under the Contract.

INCONTESTABILITY OF THE CONTRACT

There will be no contest of the validity of the Contract, except for not paying premiums, after it has been in force for two years.

No statement in any application, except a fraudulent statement, made by the Contractholder or by a [Member] covered under the Contract shall be used in contesting the validity of his or her coverage or in denying benefits after such coverage has been in force for two years during the person's lifetime. Note: There is no time limit with respect to a contest in connection with fraudulent statements.

LIMITATION ON ACTIONS

No action at law or in equity shall be brought to recover on the Contract until 60 days after a [Member] files written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

OTHER RIGHTS

We are only required to provide benefits to the extent stated in the Contract, its riders and attachments. We have no other liability.

Services and supplies are to be provided in the most cost-effective manner practicable as Determined by Us.

We reserve the right to use Our subsidiaries or appropriate employees or companies in administering the Contract.

We reserve the right to modify or replace an erroneously issued Contract.

Information in a Contractholder's application may not be used by Us to void the Contract or in any legal action unless the application or a duplicate of it is attached to the Contract or has been furnished to the Contractholder for attachment to the Contract.

Information in a [Member's] application may not be used by Us to void his or her coverage under the Contract or in any legal action unless the application or a duplicate of it is attached to the Evidence of Coverage issued to a [Member], or has been mailed to a [Member] for attachment to his or her Evidence of Coverage.

PAYMENT OF PREMIUMS - GRACE PERIOD

Premiums are to be paid by the Contractholder to Us. They are due on each Premium Due Date stated on the first page of the Contract. The Contractholder may pay each Premium other than the first within 31 days of the Premium Due Date. Those days are

known as the grace period. The Contractholder is liable to pay Premiums to Us from the first day the Contract is in force.

WORKERS' COMPENSATION

The health benefits provided under the Contract are not in place of, and do not affect requirements for coverage by Workers' Compensation.

CONTINUATION RIGHTS

COORDINATION AMONG CONTINUATION RIGHTS SECTIONS

As used in this section, COBRA means the Consolidated Omnibus Budget Reconciliation Act of 1985 as enacted, and later amended.

A [Member] may be eligible to continue his or her group health benefits under this Contract's **COBRA CONTINUATION RIGHTS** (CCR) section and under other continuation sections of this Contract at the same time.

Continuation Under CCR and **NEW JERSEY GROUP CONTINUATION RIGHTS** (NJGCR): A [Member] who is eligible to continue his or her group health benefits under CCR is not eligible to continue under NJGCR.

Continuation under CCR and NJGCR and **NEW JERSEY CONTINUATION RIGHTS FOR OVER-AGE DEPENDENTS** (NJCROD): A Dependent who has elected to continue his or her coverage under the group policy under which his or her parent is currently covered pursuant to NJCROD shall not be entitled to further continue coverage under CCR or NJGCR when continuation pursuant to NJCROD ends.

Continuation Under CCR and any other continuation section of this Contract:

If a [Member] elects to continue his or her group health benefits under this Contract's CCR or NJGCR, as applicable, and any other continuation other than NJCROD, the continuations:

- a) start at the same time;
- b) run concurrently; and
- c) end independently on their own terms.

While covered under more than one continuation section, the [Member]:

- a) will not be entitled to duplicate benefits; and
- b) will not be subject to the premium requirements of more than one section at the same time.

AN IMPORTANT NOTICE ABOUT CONTINUATION RIGHTS

The following COBRA CONTINUATION RIGHTS section may not apply to the Employer's Contract. The Employee must contact his or her Employer to find out if:

- a) **the Employer is subject to the COBRA CONTINUATION RIGHTS section in which case;**
- b) **the section applies to the Employee.**

COBRA CONTINUATION RIGHTS (Generally applies to employer groups with 20 or more employees)

Important Notice

Under this section, "Qualified Continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this Contract as:

- a) an active, covered Employee;
- b) the spouse of an active, covered Employee; or
- c) the Dependent child (except for the child of the Employee's domestic partner or civil union partner) of an active, covered Employee. Except as stated below, any person who becomes covered under this Contract during a continuation provided by this section is not a Qualified Continuee.

A domestic partner, a civil union partner, and the child of an Employee's domestic partner or civil union partner are never considered Qualified Continuees eligible to elect CCR. They may, however, be a Qualified Continuee eligible to elect under New Jersey Group Continuation Rights (NJGCR). Refer to the NJGCR section for more information.

Exception: A child who is born to the covered Employee, or who is placed for adoption with the covered Employee during the continuation provided by this section is a Qualified Continuee.

If An Employee's Group Health Benefits Ends

If an Employee's group health benefits end due to his or her termination of employment or reduction of work hours, he or she may elect to continue such benefits for up to 18 months, unless he or she was terminated due to gross misconduct.

A Qualified Continuee may elect to continue coverage under COBRA even if the Qualified Continuee:

- a) is covered under another group plan on or before the date of the COBRA election; or
- b) is entitled to Medicare on or before the date of the COBRA election.

The continuation:

- a) may cover the Employee and any other Qualified Continuee; and
- b) is subject to the **When Continuation Ends** section.

Extra Continuation for Disabled Qualified Continuees

If a Qualified Continuee is determined to be disabled under Title II or Title XVI of the United States Social Security Act on the date his or her group health benefits would otherwise end due to the Employee's termination of employment or reduction of work hours or during the first 60 days of continuation coverage, he or she and any Qualified Continuee who is not disabled may elect to extend his or her 18 month continuation period above for up to an extra 11 months.

To elect the extra 11 months of continuation, the Qualified Continuee or other person acting on his or her behalf must give the Employer written proof of Social Security's determination of his or her disability within 60 days measured from the latest of:

- a) the date on which the Social Security Administration issues the disability determination;

- b) the date the group health benefits would have otherwise ended; or
- c) the date the Qualified Continuee receives the notice of COBRA continuation rights.

If, during this extra 11 month continuation period, the Qualified Continuee is determined to be no longer disabled under the Social Security Act, he or she must notify the Employer within 30 days of such determination, and continuation will end, as explained in the **When Continuation Ends** section.

An additional 50% of the total premium charge also may be required from the Qualified Continuee by the Employer during this extra 11 month continuation period.

If An Employee Dies While Insured

If an Employee dies while insured, any Qualified Continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If An Employee's Marriage Ends

If an Employee's marriage ends due to legal divorce or legal separation, any Qualified Continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If A Dependent Loses Eligibility

If a Dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this Contract, other than the Employee's coverage ending, he or she may elect to continue such benefits. However, such Dependent child must be a Qualified Continuee. The continuation can last for up to 36 months, subject to **When Continuation Ends**.

Concurrent Continuations

If a Dependent elects to continue his or her group health benefits due to the Employee's termination of employment or reduction of work hours, the Dependent may elect to extend his or her 18 month continuation period to up to 36 months, if during the 18 month continuation period, either:

- a) the Dependent becomes eligible for 36 months of group health benefits due to any of the reasons stated above; or
- b) the Employee becomes entitled to Medicare.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

Special Medicare Rule

Except as stated below, the "special rule" applies to Dependents of an Employee when the Employee becomes entitled to Medicare prior to termination of employment or reduction in work hours. The continuation period for a Dependent upon the Employee's

subsequent termination of employment or reduction in work hours will be the longer of the following:

- a) 18 months from the date of the Employee's termination of employment or reduction in work hours; or
- b) 36 months from the date of the Employee's earlier entitlement to Medicare.

Exception: If the Employee becomes entitled to Medicare more than 18 months prior to termination of employment or reduction in work hours, this "special rule" will not apply.

The Qualified Continuee's Responsibilities

A person eligible for continuation under this section must notify the Employer, in writing, of:

- a) the legal divorce or legal separation of the Employee from his or her spouse; or
- b) the loss of dependent eligibility, as defined in this Contract, of an insured Dependent child.

Such notice must be given to the Employer within 60 days of either of these events.

The Employer's Responsibilities

The Employer must notify the Qualified Continuee, in writing, of:

- a) his or her right to continue this Contract's group health benefits;
- b) the monthly premium he or she must pay to continue such benefits; and
- c) the times and manner in which such monthly payments must be made.

Such written notice must be given to the Qualified Continuee within 44 days of:

- a) the date a Qualified Continuee's group health benefits would otherwise end due to the Employee's death or the Employee's termination of employment or reduction of work hours; or
- b) the date a Qualified Continuee notifies the Employer, in writing, of the Employee's legal divorce or legal separation from his or her spouse, or the loss of dependent eligibility of an insured Dependent child.

The Employer's Liability

The Employer will be liable for the Qualified Continuee's continued group health benefits to the same extent as, and in place of, [Carrier], if:

- a) the Employer fails to remit a Qualified Continuee's timely premium payment to [Carrier] on time, thereby causing the Qualified Continuee's continued group health benefits to end; or
- b) the Employer fails to notify the Qualified Continuee of his or her continuation rights, as described above.

Election of Continuation

To continue his or her group health benefits, the Qualified Continuee must give the Employer written notice that he or she elects to continue. An election by a minor Dependent Child can be made by the Dependent Child's parent or legal guardian. This must be done within 60 days of the date a Qualified Continuee receives notice of his or

her continuation rights from the Employer as described above. And the Qualified Continuee must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the Employer, by the Qualified Continuee, in advance, at the times and in the manner specified by the Employer. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the Qualified Continuee stayed insured under this Contract on a regular basis. It includes any amount that would have been paid by the Employer. Except as explained in the **Extra Continuation for Disabled Qualified Continuees** section, an additional charge of two percent of the total premium charge may also be required by the Employer.

If the Qualified Continuee fails to give the Employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums

A Qualified Continuee's premium payment is timely if, with respect to the first payment after the Qualified Continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified date.

If timely payment is made to the plan in an amount that is not significantly less than the amount the Employer requires to be paid for the period of coverage, then the amount paid is deemed to satisfy the Employer's requirement for the amount that must be paid, unless the plan notifies the Qualified Continuee of the amount of the deficiency and grants an additional 30 days for payment of the deficiency to be made. An amount is not significantly less than the amount the Employer requires to be paid for a period of coverage if and only if the shortfall is no greater than the lesser of the following two amounts:

- a) Fifty dollars (or such other amount as the Commissioner may provide in a revenue ruling, notice, or other guidance published in the Internal Revenue Code Bulletin); or
- b) Ten percent of the amount the plan requires to be paid.

Payment is considered as made on the date on which it is sent to the Employer.

When Continuation Ends

A Qualified Continuee's continued group health benefits end on the first of the following:

- a) with respect to continuation upon the Employee's termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
- b) with respect to a Qualified Continuee who has elected an additional 11 months of continuation due to his or her own disability or the disability of a family member, the earlier of:

- the end of the 29 month period which starts on the date the group health benefits would otherwise end; or
- the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that a disabled Qualified Continuee is no longer disabled under Title II or Title XVI of the United States Social Security Act;
- c) with respect to continuation upon the Employee's death, the Employee's legal divorce or legal separation or the end of an insured Dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- d) with respect to a Dependent whose continuation is extended due to the Employee's entitlement to Medicare, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- e) the date this Contract ends;
- f) the end of the period for which the last premium payment is made;
- g) the date he or she becomes covered under any other group health plan which contains no limitation or exclusion with respect to any Pre-Existing Condition of the Qualified Continuee or contains a pre-existing conditions limitation or exclusion that is eliminated through the Qualified Continuee's total period of Creditable Coverage.;
- h) the date he or she becomes entitled to Medicare;
- i) termination of a Qualified Continuee for cause (e.g. submission of a fraudulent claim) on the same basis that the Employer terminates coverage of an active employee for cause.

NEW JERSEY GROUP CONTINUATION RIGHTS (NJGCR)

Important Notice

Except as stated below, under this section, "Qualified Continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this Contract as:

- a) a full-time covered Employee;
- b) the spouse of a full-time covered Employee; or
- c) the Dependent child of a full-time covered Employee.

Exception: A Newly Acquired Dependent, where birth, adoption, or marriage occurs after the Qualifying Event is also a "Qualified Continuee" for purposes of being included under the Employee's continuation coverage.

If An Employee's Group Health Benefits Ends

If an Employee's group health benefits end due to his or her termination of employment or reduction of work hours to fewer than 25 hours per week, he or she may elect to continue such benefits for up to 18 months, unless he or she was terminated for cause. The Employee's spouse and Dependent children may elect to continue benefits even if the Employee does not elect continuation for himself or herself.

A Qualified Continuee may elect to continue coverage under NJGCR even if the Qualified Continuee:

- a) is covered under another group plan on or before the date of the NJGCR election; or

b) is entitled to Medicare on or before the date of the NJGCR election.

The continuation:

- a) may cover the Employee and/or any other Qualified Continuee; and
- b) is subject to the When Continuation Ends section.

Extra Continuation for Disabled Qualified Continuees

If a former Employee who is a Qualified Continuee is determined to be disabled under Title II or Title XVI of the United States Social Security Act on the date his or her group health benefits would otherwise end due to the termination of employment or reduction of work hours to fewer than 25 hours per week or during the first 60 days of continuation coverage, he or she may elect to extend his or her 18-month continuation period for himself or herself and any Dependents who are Qualified Continuees for up to an extra 11 months.

To elect the extra 11 months of continuation, the Qualified Continuee must give the [Carrier] written proof of Social Security's determination of his or her disability before the earlier of:

- a) the end of the 18 month continuation period; and
- b) 60 days after the date the Qualified Continuee is determined to be disabled.

If, during this extra 11 month continuation period, the Qualified Continuee is determined to be no longer disabled under the Social Security Act, he or she must notify the [Carrier] within 31 days of such determination, and continuation will end, as explained in the When Continuation Ends section.

An additional 50% of the total premium charge also may be required from the Qualified Continuee by the Employer during this extra 11 month continuation period.

If An Employee Dies While Insured

If an Employee dies while insured, any Qualified Continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the When Continuation Ends section.

If An Employee's Marriage or Civil Union [or Domestic Partnership] Ends

If an Employee's marriage ends due to legal divorce or legal separation or dissolution of the civil union [or termination of a domestic partnership], any Qualified Continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the When Continuation Ends section.

If A Dependent Loses Eligibility

If a Dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this Contract, other than the Employee's coverage ending, he or she may elect to continue such benefits for up to 36 months, subject to When Continuation Ends.

The Employer's Responsibilities

Upon loss of coverage due to termination of employment or reduction in work hours, the Employer must notify the former employee in writing, of:

- a) his or her right to continue this Contract's group health benefits;
- b) the monthly premium he or she must pay to continue such benefits; and
- c) the times and manner in which such monthly payments must be made.

Upon being advised of the death of the Employee, divorce, dissolution of the civil union, [termination of domestic partnership] or Dependent child's loss of eligibility, the Employer should notify the Qualified Continuee in writing, of:

- a) his or her right to continue this Contract's group health benefits;
- b) the monthly premium he or she must pay to continue such benefits; and
- c) the times and manner in which such monthly payments must be made.

Election of Continuation

To continue his or her group health benefits, the Qualified Continuee must give the Employer written notice that he or she elects to continue. An election by a minor Dependent Child can be made by the Dependent Child's parent or legal guardian. This must be done within 30 days of the date coverage ends. The first month's premium must be paid within 30 days of the date the Qualified Continuee elects continued coverage.

The subsequent premiums must be paid to the Employer, by the Qualified Continuee, in advance, at the times and in the manner specified by the Employer.

The monthly premium will be the total rate which would have been charged for the group health benefits had the Qualified Continuee stayed insured under this Contract on a regular basis. It includes any amount that would have been paid by the Employer. Except as explained in the Extra Continuation for Disabled Qualified Continuees section, an additional charge of two percent of the total premium charge may also be required by the Employer.

If the Qualified Continuee does not give the Employer notice of his or her intent to continue coverage, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums

A Qualified Continuee's premium payment is timely if, with respect to the first payment after the Qualified Continuee elects to continue, such payment is made no later than 30 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the date it is due.

The Continued Coverage

The continued coverage shall be identical to the coverage provided to similarly situated active Employees and their Dependents under the Employer's plan. If coverage is modified for any group of similarly situated active Employees and their Dependents, the

coverage for Qualified Continuees shall also be modified in the same manner. Evidence of insurability is not required for the continued coverage.

When Continuation Ends

A Qualified Continuee's continued group health benefits end on the first of the following:

- a) with respect to continuation upon the Employee's termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
- b) with respect to a Qualified Continuee who has elected an additional 11 months of continuation due to his or her own disability, the end of the 29 month period which starts on the date the group health benefits would otherwise end. However, if the Qualified Continuee is no longer disabled, coverage ends on the later of:
 - the end of the 18-month period; or
 - the first day of the month that begins more than 31 days after the date on which a final determination is made that a disabled Qualified Continuee is no longer disabled under Title II or Title XVI of the United States Social Security Act;
- c) with respect to continuation upon the Employee's death, the Employee's legal divorce or legal separation, dissolution of the civil union, [or termination of the domestic partnership] or the end of an insured Dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- d) the date the Employer ceases to provide any health benefits plan to any active Employee or Qualified Continuee;
- e) the end of the period for which the last premium payment is made;
- f) the date he or she first becomes covered under any other group health benefits plan, as an employee or otherwise, which contains no limitation or exclusion with respect to any Pre-Existing Condition of the Qualified Continuee ; or
- g) the date he or she first becomes entitled to Medicare.

NEW JERSEY CONTINUATION RIGHTS FOR OVER-AGE DEPENDENTS

(Applies to all size groups):

As used in this provision, "Over-Age Dependent" means an Employee's child by blood or law who:

- a) has reached the limiting age under the group plan, but is less than 31 years of age;
- b) is not married or in a domestic partnership or civil union partnership;
- c) has no Dependents of his or her own;
- d) is either a resident of New Jersey or is enrolled as a full-time student at an Accredited School; and
- e) is not covered under any other group or individual health benefits plan, group health plan, church plan or health benefits plan, and is not entitled to Medicare on the date the Over-Age Dependent continuation coverage begins.

If A Dependent Is Over the Limiting Age for Dependent Coverage

If a Dependent Child is over the age 26 limiting age for dependent coverage and:

- a) the Dependent child's group health benefits are ending or have ended due to his or her attainment of age 26; or
- b) the Dependent child has proof of prior creditable coverage or receipt of benefits, he or she may elect to be covered under the Employer's plan until his or her 31st birthday, subject to the Conditions for Election, Election of Continuation and When Continuation Ends sections below.

Conditions for Election

An Over-Age Dependent is only entitled to make an election for continued coverage if all of the following conditions are met.

- a) The Over-Age Dependent must provide evidence of prior creditable coverage or receipt of benefits under a group or individual health benefits plan, group health plan, church plan or health benefits plan or Medicare. Such prior coverage must have been in effect at some time prior to making an election for this Over-Age Dependent coverage.
- b) A parent of an Over-Age Dependent must be enrolled as having elected Dependent coverage at the time the Over-Age Dependent elects continued coverage. Except, if the Employee has no other Dependents, or has a Spouse who is covered elsewhere, the Over-Age Dependent may nevertheless select continued coverage.

Election of Continuation

To continue group health benefits, the Over-Age Dependent must make written election to [the Carrier]. The effective date of the continued coverage will be the later of:

- a) the date the Over-Age Dependent gives written notice to [the Carrier]; or
- b) the date the Over-Age Dependent pays the first premium; or
- c) the date the Dependent would otherwise lose coverage due to attainment of age 26.

For a Dependent whose coverage has not yet terminated due to the attainment of the limiting age, the written election must be made within 30 days prior to termination of coverage due to the attainment of the limiting age if the Dependent child seeks to maintain continuous coverage. The written election may be made later, and if made later would result in a lapse in coverage. See the Application of a Pre-existing Conditions Exclusion section below.

For a Dependent who was not covered on the date he or she reached the limiting age, the written election may be made at any time. See the Application of a Pre-existing Conditions Exclusion section below.

For a person who did not qualify as an Over-Age Dependent because he or she failed to meet all the requirements of an Over-Age Dependent, but who subsequently meets all of the requirements for an Over-Age Dependent, written election may be made at any time after the person meets all of the requirements for an Over-Age Dependent. See the Application of a Pre-existing Conditions Exclusion section below.

Application of a Pre-Existing Conditions Exclusion

An Over-Age Dependent who was covered under prior Creditable Coverage that terminated no more than 90 days prior to making an election for continuation under this section will be given credit for the time he or she was covered under the Creditable Coverage toward the application of the Pre-Existing Conditions Exclusion under the Policy.

Payment of Premium

The first month's premium must be paid within 30 days of the date the Over-Age Dependent elects continued coverage.

The Over-Age Dependent must pay subsequent premiums monthly, in advance, [at the times and in the manner specified by [the Carrier]] [and will be remitted by the Employer]. The monthly premium will be set by the Carrier, and must be consistent with the requirements of P.L. 2005, c. 375.

Grace in Payment of Premiums

An Over-Age Dependent's premium payment is timely if, with respect to the first payment after the Over-Age Dependent elects to continue, such payment is made no later than 30 days after such election. In all other cases, such premium payment is timely if it is made within 30 days of the date it is due.

The Continued Coverage

The continued coverage shall be identical to the coverage provided to the Over-Age Dependent's parent who is covered as an Employee under the Policy [and will be evidenced by a separate [Certificate] and ID card being issued to the Over-Age Dependent.]. If coverage is modified for Dependents who are under the limiting age, the coverage for Over-Age Dependents shall also be modified in the same manner. Evidence of insurability is not required for the continued coverage.

When Continuation Ends

An Over-Age Dependent's continued group health benefits end on the first of the following:

- a) the date the Over-Age Dependent:
 1. attains age 31
 2. marries or enters into a civil union partnership;
 3. acquires a Dependent;
 4. is no longer either a resident of New Jersey or enrolled as a full-time student at an Accredited School; or
 5. becomes covered under any other group or individual health benefits plan, group health plan, church plan or health benefits plan, or becomes entitled to Medicare
- b) the end of the period for which premium has been paid for the Over-Age Dependent, subject to the Grace Period for such payment;
- c) the date the Policy ceases to provide coverage to the Over-Age Dependent's parent who is the Employee under the Policy.

- d) The date the Policy under which the Over-Age Dependent elected to continue coverage is amended to delete coverage for Dependents.
- e) The date the Over-Age Dependent's parent who is covered as an Employee under the Policy waives Dependent coverage. Except, if the Employee has no other Dependents, the Over-Age Dependent's coverage will not end as a result of the Employee waiving Dependent coverage.

A TOTALLY DISABLED EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If An Employee is Totally Disabled

An Employee who is Totally Disabled and whose group health benefits end because his or her active employment or membership in an eligible class ends due to that disability, can elect to continue his or her group health benefits. But he or she must have been covered by the Contract for at least three months immediately prior to the date his or her group health benefits ends. The continuation can cover the Employee, and at his or her option, his or her then covered Dependents.

How And When To Continue Coverage

To continue group health benefits, the Employee must give the Employer written notice that he or she elects to continue such benefits. And he or she must pay the first month's premium. This must be done within 31 days of the date his or her coverage under the Contract would otherwise end.

Subsequent premiums must be paid to the Employer monthly, in advance, at the times and in the manner specified by the Employer. The monthly premium the Employee must pay will be the total rate charged for an active Full-Time Employee, covered under the Contract on a regular basis, on the date each payment is due. It includes any amount which would have been paid by the Employer.

We will consider the Employee's failure to give notice or to pay any required premium as a waiver of the Employee's continuation rights.

If the Employer fails, after the timely receipt of the Employee's payment, to pay Us on behalf of such Employee, thereby causing the Employee's coverage to end; then such Employer will be liable for the Employee's benefits, to the same extent as, and in place of, Us.

When This Continuation Ends

These continued group health benefits end on the first of the following:

- a) the end of the period for which the last payment is made, if the Employee stops paying.
- b) the date the [Member] becomes employed and eligible or covered for similar benefits by another group plan, whether it be an insured or uninsured plan;

- c) the date the Contract ends or is amended to end for the class of Employees to which the Employee belonged; or
- d) with respect to a Dependent, the date he or she stops being an eligible Dependent as defined in the Contract.

AN EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS DURING A FAMILY LEAVE OF ABSENCE

Important Notice

This section may not apply to an Employer's plan. The Employee must contact his or her Employer to find out if:

- a) **the Employer must allow for a leave of absence under Federal law in which case;**
- b) **the section applies to the Employee.**

If An Employee's Group Health Coverage Ends

Group health coverage may end for an Employee because he or she ceases Full-Time work due to an approved leave of absence. Such leave of absence must have been granted to allow the Employee to care for a sick family member or after the birth or adoption of a child. If so, his or her medical care coverage will be continued. Dependents' coverage may also be continued. The Employee will be required to pay the same share of premium as before the leave of absence.

When Continuation Ends

Coverage may continue until the earliest of:

- a) the date the Employee returns to Full-Time work;
- b) the end of a total period of 12 weeks in any 12 month period;
- c) the date on which the Employee's coverage would have ended had the Employee not been on leave; or
- d) the end of the period for which the premium has been paid.

[A DEPENDENT'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If an Employee dies, any of his or her Dependents who were covered under the Contract may elect to continue coverage. Subject to the payment of the required premium, coverage may be continued until the earlier of:

- a) 180 days following the date of the Employee's death; or
- b) the date the Dependent is no longer eligible under the terms of the Contract.]

[CONVERSION RIGHTS FOR DIVORCED SPOUSES

IF AN EMPLOYEE'S MARRIAGE OR CIVIL UNION [OR DOMESTIC PARTNERSHIP] ENDS

If an Employee's marriage ends by legal divorce or annulment or the employee's civil union is dissolved [or termination of the domestic partnership], the group health coverage for his or her former spouse ends. The former spouse may convert to an individual contract during the conversion period. The former spouse may cover under his or her

individual contract any of his or her Dependent children who were covered under the Contract on the date the group health coverage ends. See **Exceptions** below.

Exceptions

No former spouse may use this conversion right:

- a) if he or she is eligible for Medicare;
- b) if it would cause him or her to be excessively covered; This may happen if the spouse is covered or eligible for coverage providing similar benefits provided by any other plan, insured or not insured. We will Determine if excessive coverage exists using Our standards for excessive coverage. or
- c) [if he or she permanently relocates outside the Service Area.]

HOW AND WHEN TO CONVERT

The conversion period means the 31 days after the date group health coverage ends. The former spouse must apply for the individual contract in writing and pay the first premium for such contract during the conversion period. Evidence of good health will not be required.

THE CONVERTED CONTRACT

The individual contract will provide the medical benefits that We are required to offer. The individual contract will take effect on the day after group health coverage under the Contract ends.

After group health coverage under the Contract ends, the former spouse and any children covered under the individual contract may still receive benefits under the Contract. If so, benefits to be paid under the individual contract, if any, will be reduced by the amount paid or the reasonable cash value of services provided under the Contract.]

MEDICARE AS SECONDARY PAYOR

IMPORTANT NOTICE

The following sections regarding Medicare may not apply to the Employer's Contract. The Employee must contact his or her Employer to find out if the Employer is subject to Medicare as Secondary Payor rules.

If the Employer is subject to such rules, this Medicare as Secondary Payor section applies to the Employee.

If the Employer is NOT subject to such rules, this Medicare as Secondary Payor section does not apply to the Employee, in which case, Medicare will be the primary health plan and the Contract will be the secondary health plan for [Members] who are eligible for Medicare. Benefits will be payable as specified in the COORDINATION OF BENEFITS AND SERVICES section of the Contract.

The following provisions explain how the Contract's group health benefits interact with the benefits available under Medicare as Secondary Payor rules. A [Member] may be

eligible for Medicare by reason of age, disability, or End Stage Renal Disease. Different rules apply to each type of Medicare eligibility, as explained below.

With respect to the following provisions:

- a) "Medicare" when used above, means Part A and B of the health care program for the aged and disabled provided by Title XVIII of the United States Social Security Act, as amended from time to time.
- b) A [Member] is considered to be eligible for Medicare by reason of age from the first day of the month during which he or she reaches age 65. However, if the [Member] is born on the first day of a month, he or she is considered to be eligible for Medicare from the first day of the month which is immediately prior to his or her 65th birthday.
- c) A "primary" health plan pays benefits for a [Member's] Covered Service or Supply or Covered Charge first, ignoring what the [Member's] "secondary" plan pays. A "secondary" health plan then pays the remaining unpaid allowable expenses. See the **COORDINATION OF BENEFITS AND SERVICES** section for a definition of "allowable expense".

MEDICARE ELIGIBILITY BY REASON OF AGE (Generally applies to employer groups with 20 or more employees)

Applicability

This section applies to an Employee or his or her covered spouse who is eligible for Medicare by reason of age. This section does not apply to an insured civil union partner [or an insured domestic partner] who is eligible for Medicare by reason of age.

Under this section, such an Employee or covered spouse is referred to as a "Medicare eligible".

This section does not apply to:

- a) a [Member], other than an Employee or covered spouse
- b) an Employee or covered spouse who is under age 65, or
- c) a [Member] who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When An Employee or Covered Spouse Becomes Eligible For Medicare

When an Employee or covered spouse becomes eligible for Medicare by reason of age, he or she must choose one of the two options below.

Option (A) - The Medicare eligible may choose the Contract as his or her primary health plan. If he or she does, Medicare will be his or her secondary health plan. See the **When The Contract is Primary** section below, for details.

Option (B) - The Medicare eligible may choose Medicare as his or her primary health plan. If he or she does, group health benefits under the Contract will end. See the **When Medicare is Primary** section below, for details.

If the Medicare eligible fails to choose either option when he or she becomes eligible for Medicare by reason of age, We will provide services and supplies and pay benefits as if he or she had' chosen Option (A).

When the Contract is primary

When a Medicare eligible chooses the Contract as his or her primary health plan, if he or she incurs a Covered Service and Supply or Covered Charge for which benefits are payable under both the Contract and Medicare, the Contract is considered primary. The Contract provides services and supplies and pays first, ignoring Medicare. Medicare is considered the secondary plan.

When Medicare is primary

If a Medicare eligible chooses Medicare as his or her primary health plan, he or she will no longer be covered for such benefits by the Contract. Coverage under this Contract will end on the date the Medicare eligible elects Medicare as his or her primary health plan.

A Medicare eligible who elects Medicare as his or her primary health plan, may later change such election, and choose the Contract as his or her primary health plan.

MEDICARE ELIGIBILITY BY REASON OF DISABILITY (Generally applies to employer groups with 100 or more employees)

Applicability

This section applies to a [Member] who is:

- a) under age 65 except for the Employee's civil union partner [or domestic partner] or the child of the Employee's civil union partner [or domestic partner]; and
- b) eligible for Medicare by reason of disability or
- c) a [Member] who is the Employee's civil union partner [or domestic partner] or the child of the Employee's civil union partner [or domestic partner].

Under this section, such [Member] is referred to as a "disabled Medicare eligible".

This section does not apply to:

- a) a [Member] who is eligible for Medicare by reason of age; or
- b) a [Member] who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When A [Member] Becomes Eligible For Medicare

When a [Member] becomes eligible for Medicare by reason of disability, the Contract is the primary plan. The Contract is the secondary plan.

If a [Member] is eligible for Medicare by reason of disability, he or she must be covered by both Parts A and B. Benefits will be payable as specified in the **COORDINATION OF BENEFITS AND SERVICES** section of the Contract.

MEDICARE ELIGIBILITY BY REASON OF END STAGE RENAL DISEASE (Applies to all employer groups)

Applicability

This section applies to a [Member] who is eligible for Medicare on the basis of End Stage Renal Disease (ESRD).

Under this section such [Member] is referred to as a "ESRD Medicare eligible".

This section does not apply to a [Member] who is eligible for Medicare by reason of disability.

When A [Member] Becomes Eligible For Medicare Due to ESRD

When a [Member] becomes eligible for Medicare solely on the basis of ESRD, for a period of up to 30 consecutive months, if he or she incurs a charge for the treatment of ESRD for which services and supplies are provided or benefits are payable under both the Contract and Medicare, the Contract is considered primary. The Contract provides services and supplies and pays first, ignoring Medicare. Medicare is considered the secondary plan.

This 30 month period begins on the earlier of:

- a) the first day of the month during which a regular course of renal dialysis starts; and
- b) with respect to a ESRD Medicare eligible who receives a kidney transplant, the first day of the month during which such [Member] becomes eligible for Medicare.

After the 30 month period described above ends, if a ESRD Medicare eligible incurs a charge for which services and supplies are provided and benefits are payable under both the Contract and Medicare, Medicare is the primary plan. The Contract is the secondary plan. If a [Member] is eligible for Medicare on the basis of ESRD, he or she must be covered by both Parts A and B. Benefits will be payable as specified in the **COORDINATION OF BENEFITS AND SERVICES** section of the Contract.

[STATEMENT OF ERISA RIGHTS

The following Statement may not apply to the Employer's Contract. The Employee must contact his or her Employer to find out if the Employer is subject to these ERISA requirements

As a plan participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and

available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review the summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights, if COBRA is applicable to your plan.

Reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect COBRA continuation coverage, when your COBRA continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a preexisting conditions exclusion for 6 months after your enrollment date in your coverage.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110

a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claims for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or medical support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance With Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.
