**To: Foreign and Alien Fraternal**

**Re: Annual Statement & Related Filings**

Pursuant to N.J.S.A. 17:44B-25(a), every society transacting business in this State must file with the New Jersey Department of Banking and Insurance ("the Department") on or before **March 1**, annually, a statement showing its financial condition as of and for the preceding year ending **December 31**. The annual statement filed with National Association of Insurance Commissioners ("NAIC") in its approved format, will satisfy this requirement. Therefore, foreign and alien societies do not have to send a hard copy of their annual statement to the Department.

### **SCHEDULE T**

The New Jersey State Business Page (Exhibit of Premiums and Losses Business in the State of New Jersey) must be filed NAIC. This is to ensure a correct assessment of levies.

### **AMENDMENTS AND EXAMINATIONS**

Per N.J.S.A. 17:44B-11(d), foreign and alien societies must file duly certified copies of all **amendments** to the society's articles of incorporation, constitution or laws (by-laws), within **ninety (90) days** of enactment. In addition, unless previously submitted, provide a copy of the report of any examination of the society during the year covered by the annual statement to the Department.

### **PRE-ACQUISITION NOTIFICATION**

Pursuant to N.J.S.A. 17:27A-4.1 et seq., when an insurance company is acquired by another corporation, a pre-acquisition notification must be sent to the Commissioner in advance, with ample time to comply with the thirty-day waiting period. The notification should conform with the NAIC model holding company law for Form E filing.
