January 7, 2020

Honorable Marlene Caride Commissioner of Banking and Insurance State of New Jersey 20 West State Street Trenton, New Jersey 08625

Commissioner:

A financial examination has been made of the condition and affairs of the:

Coverys Specialty Insurance Company
67 East Park Place, Suite 703, Morristown, New Jersey 07960
NAIC GROUP CODE 1154
NAIC COMPANY CODE 15686

a property and liability insurance organization authorized to transact business in the State of New Jersey, and hereinafter referred to in this report as "CSIC" or "Company."

#### **SCOPE OF THE EXAMINATION**

The New Jersey Department of Banking and Insurance, hereafter referred to as the "NJDOBI" or "We", participated in a full scope coordinated multi-state risk focused examination which was led by the Massachusetts Division of Insurance. This examination covers the period from the commencement of operations on April 1, 2015 through December 31, 2018, and is the first examination of Coverys Specialty Insurance Company, hereafter referred to as "CSIC" or "the Company". The current examination includes a review of any material transactions and/or events occurring subsequent to the examination date and noted during the course of the examination. The principal portion of the examination was conducted at the Company's main administrative office located in Boston, Massachusetts.

The current examination was conducted concurrent with the examinations of its affiliates, Medical Professional Mutual Insurance Company ("MPMIC"), ProSelect Insurance Company ("PSIC") Preferred Professional Insurance Company ("PPIC"), Healthcare Underwriters Group, Inc. ("HUG"), Preferred Professional RRG ("PPRRG"), and Coverys RRG, Inc. ("CRRG"), (collectively, "The Group"). During the period of December 31, 2015 through December 31, 2018, the Company's assets increased from \$56,727,598 to \$81,016,125, liabilities increased from \$6,048,272 to \$27,837,598, and surplus increased from \$50,679,326 to \$53,178,527.

The NJDOBI conducted the examination in accordance with the 2018 edition of the National Association of Insurance Commissioners ("NAIC") Financial Condition Examiners Handbook (the "NAIC Handbook"). The NAIC Handbook requires the NJDOBI to plan and perform the examination in order to evaluate the financial condition and identify prospective risks of the Company. To meet these objectives, the NJDOBI obtained information regarding the Company's corporate governance environment, identified and assessed inherent risks to which it is exposed and evaluated the Company's system of internal controls and procedures used to mitigate identified risks. The examination also included assessing the principles used and significant estimates made by management, as well as, evaluating the overall Financial Statement presentation, management's compliance with Statutory Accounting Principles and Annual Statement instructions when applicable to domestic state regulations.

According to the NAIC Handbook, "One of the increased benefits of the enhanced risk-focused approach is to include consideration of other than financial risks that could impact the insurer's future solvency. By utilizing the enhanced approach, the examiner reviewed the financial and enterprise risks that existed at the examination "as of" date and will be positioned to assess financial and enterprise risks that extend or commence during the time the examination was conducted and prospective risks which are anticipated to arise or extend past the point of examination completion. Using this approach, examiners will be better positioned to make recommendations for appropriate future supervisory plans (i.e., earlier statutory exams, limited-scope exams, key areas for financial analysts to monitor, etc.) for each insurer."

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. The examination report only addresses regulatory information revealed by the examination process in accordance with the NAIC Handbook. All other financial matters were reviewed and determined not to be material for discussion in this report.

During the course of the examination, consideration was given to work performed by the Company's Internal Audit Department and the Company's external accounting firm. Work reviewed included risk analysis, documentation, test-work and remediation efforts over weaknesses identified. Certain auditor work papers have been incorporated into the work papers of the examiners and have been utilized in determining the scope and areas of emphasis in conducting the examination.

#### **COMPANY HISTORY**

ProMutual Group, Inc., the immediate parent of Coverys Specialty Insurance Company, is itself wholly owned by MPMIC, the ultimate parent company of the Coverys insurance holding company group. MPMIC was originally organized as a Joint Underwriting Association ("JUA") established under the Massachusetts Acts of 1975. The Massachusetts legislature created the JUA to guarantee the continued availability of medical malpractice professional liability insurance within the State.

In July 1992, the name of the JUA was changed to the Massachusetts Medical Professional Insurance Association ("MMPIA"), to reflect that the entity was no longer a joint underwriting association. In January of 1995, the MMPIA was converted to a mutual insurance company known as the Medical Professional Mutual Insurance Company ("MPMIC"), which assumed all of the assets and liabilities of the Association.

On May 2, 1995, MPMIC received its certificate to transact business in Massachusetts as a mutual insurance company, and formed a downstream holding company, ProMutual Group, Inc. Coverys Specialty Insurance Company was organized on December 19, 2014 as an excess and surplus lines insurance company domiciled in the State of New Jersey, and is a wholly owned subsidiary of ProMutual Group, Inc., itself a wholly owned subsidiary of MPMIC. The Company and other affiliated companies of MPMIC are collectively referred to as "Coverys".

CSIC is authorized to write multiple lines of business which are designated as "b" per N.J.S.A. 17:17-1 and N.J.S.A. 17:22-6.69 to entitle it to engage in the kinds of business specified on a Surplus Lines only basis.
