INFORMATION, EXPLANATION AND WARNINGS

This Public Offering Statement is for informational purposes only. The New Jersey Real Estate Commission has neither approved nor disapproved the merits of this offering. The developer is responsible for the accuracy and completeness of this report.

It is in the interest of the purchaser to inspect the property, to read all contract documents and to consult with an attorney before signing the contract to purchase or lease.

Purchasers should decide for themselves that the timeshare interest offered meets their personal requirements and expectations. Misunderstandings as to the desirability of the property or unit may arise without any fault of the developer or broker when purchaser fails to understand the nature of the offering or terms of the contract.

The purchase of an interest in a timeshare plan should be based upon its value to the purchaser as a vacation experience, and not for the purpose of acquiring an appreciating investment, tax advantages, or with the expectation that the interest may be rented or resold for profit.

Complaints against the broker, developer or subdivider must be submitted in writing and addressed to the Bureau of Subdivided Land Sales Control, New Jersey Real Estate Commission, 20 West State Street, PO Box 328, Trenton, New Jersey 08625-0328.

Purchaser has the right to void the contract and demand his/her money back if purchaser did not receive a Public Offering Statement and did not have a reasonable opportunity to read it before signing the contract or agreement. In the event of a dispute on this point, the burden of proof is on the broker or developer.

All interests described herein will be offered without regard to marital status, sex, race, handicap, religion, famial status, color, ancestry, creed, or national origin. The offeror will not indicate a preference for, or a rejection of any particular group in its advertising, rendering of services, or in any other manner.
