DIVISION OF INSURANCE OFFICE OF CONSUMER PROTECTION SERVICES Notice of Action on Petition for Rulemaking Consumer Complaints

Petitioner: Larry S. Loigman, Esq.

Take notice that on January 24, 2018, the Department of Banking and Insurance (Department) received a petition for rulemaking from the

above petitioner (dated January 22, 2018) requesting that the Department promulgate rules governing the Department's investigation and processing of consumer complaints. Specifically, the petitioner requested that the Department promulgate a rule that provides as follows:

1. Upon the receipt of a consumer complaint, the Division of Insurance shall promptly notify the complainant, in writing, of the date received; the name of the assigned investigator; and the complaint number;

2. At least monthly, the assigned investigator shall inform the complainant, in writing, of the status of the complaint and the investigation into the complaint;

3. Every paper, correspondence, record, file, or other document received from an insurance carrier in response to a complaint shall be forwarded immediately by the assigned investigator to the complainant. A document may be withheld from disclosure if, and only if, the Commissioner of the Department of Banking and Insurance finds by clear and convincing evidence that its disclosure would cause immediate and irreparable harm to the interests of the State;

4. The investigation shall be conducted with the objective of enhancing consumer protection from overreaching or other misconduct by insurance carriers, and promoting consumer confidence in the Department of Banking and Insurance; and

5. No consumer complaint shall be closed or otherwise disposed of unless and until:

a. The investigator has prepared a detailed proposed disposition, in which each finding is supported by specific references to evidence in the complaint file;

b. The complainant has received a copy of the proposed disposition and has been given an opportunity to respond;

c. The investigator's supervisor has reviewed the proposed disposition, as well as the complainant's response, and concurs with the proposed disposition; and

d. The complainant shall be informed of an administrative appeal process to address any unsatisfied issues. Such process may include, but not limited to, a referral to the Office of Administrative Law for resolution of any factual disputes.

The petitioner requested this rule because, according to the petition, he was not satisfied with the handling of his complaint by the Department and that he believes that the Department is biased in favor of insurance companies.

In accordance with N.J.A.C. 11:1-15.3(b), the Department mailed to the petitioner, and filed with the Office of Administrative Law, a notice of action on the petitioner's request. Notice of the Department's receipt of the petition was published in the March 19, 2018 issue of the New Jersey Register at 50 N.J.R. 1065(a).

Take further notice that the Department is still reviewing the merits of the petitioner's suggested new rules. Therefore, pursuant to N.J.A.C. 1:30-4.2 and 11:1-15.3, the Department has determined to refer this matter for further deliberation and will, within 90 days, finalize a notice of action on the petition for rulemaking.

Notice of Availability and Award of Funds

Federal Fiscal Year 2017 Federal STOP Violence

Against Women (VAWA), Non-Competitive

Domestic Violence Response Team Coordinator Grant Program

Take notice that in compliance with Title IV of the Violent Crime Control and Law Enforcement Act of 1994, Pub. L. No. 103-322, 108 Stat. 1796 (September 13, 1994), the Department of Law and Public Safety (Department) announces the availability and award of non-competitive subawards to non-profit victim services agencies to develop, continue, expand, or strengthen services for victims of violence against women in accordance with the State's Federally required Federal fiscal year (FFY) 2017 through 2020 Implementation Plan (Plan). These programs are funded with the FFY17 Federal STOP Violence Against Women (VAWA) Formula Grant. Federal regulations governing the grant program are set forth at 28 CFR Part 90.

The Department has been designated by the Governor as the State Administering Agency (SAA) responsible for administering the New Jersey VAWA grant program. To administer the grant program and develop a plan, a New Jersey VAWA Advisory Committee (Committee) was established by the Department consisting of representatives from law enforcement, prosecution, courts, and non-profit victim service agencies, including domestic violence and sexual assault organizations. The Committee identified the needs of victims of violence against women and prepared a plan to address these needs. Following the Federal guidelines for funding allocations, the Committee also selected the subrecipient agencies and recommended the funding amounts.

A total of \$1,455,699 is available to fund these non-competitive subawards, contingent upon continued Federal appropriations without reductions, to State, county, and local government agencies and victim service agencies providing direct services to victims of violence against women in the areas of prosecution, law enforcement, courts, and discretionary programs included in the Plan.

The Department will award funds to agencies recommended by the Committee as qualified because of their experience in providing services

required by the Plan. Prior to the awards, each agency will submit an application for review and approval. Funding availability is as follows:

Funding is contingent upon subrecipient application submissions, compliance with grant conditions, and satisfactory performance of services.

Please note that funding allocations and individual subaward amounts are subject to change. Subrecipients shall recognize and agree that both the initial provision of funding and the continuation of such funding under a grant agreement is expressly dependent upon the availability of the Department of funds appropriated by the State or Federal Legislature from State and/or Federal revenue to such other funding sources as may be applicable. A failure of the Department to make any payment under a grant agreement or to observe and perform any condition on its part to be performed under a grant agreement as a result of the failure of the State or Federal Legislature to appropriate funds shall not in any manner constitute a breach of a grant agreement by the Department or an event of default under a grant agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from the Department beyond the duration of the award period set forth in a grant agreement and in no event shall a grant agreement be construed as a commitment by the Department to expend funds beyond the termination date set forth in a grant agreement.
