Proposed: November 5, 2007 at 39 N.J.R. 4538(a).

Adopted: February 28, 2008 by Steven M. Goldman, Commissioner, Department of
Banking and Insurance

Filed: February 29, 2008 as R. 2008 d. 75, without change.

Authority: N.J.S.A. 17:1-8.1, 17:1-15e and 17:29A-5

Effective Date: April 7, 2008.

Expiration Date: June 7, 2011.

Summary of Public Comment and Agency Response:

The Department of Banking and Insurance (Department) timely received one written comment from OneBeacon Insurance Company.

COMMENT: The commenter questioned what reports or titles of reports are being eliminated under the amendments.

RESPONSE: As noted in the proposal Summary and the proposed amendments to the rules, the Department is deleting data related to tiers from the information currently required to be filed in the various reports filed by private passenger automobile insurers. There are no reports that are being completely eliminated. A large portion of the Private Passenger Auto Semi-Annual Report (required by N.J.A.C. 11:3-3A) will be eliminated. The part of the report template that formerly

collected exposure data by territory and class and tier will now ask for exposure data by territory and class.
