Committee (WMAC)*

How does the regulated community engage with DRBC?

Delaware River Basin Commission | nj.gov/drbc/programs/project/docket-app-info.html

You might want to submit an application (new or renewal)

Applications

Please select the appropriate application form from among the following and use the submission process outlined below.

- [Ground and/or Surface Water Withdrawal Application](#) (pdf)
 - For new applications, renewals or modifications
 - If your project is in the Southeastern Pa. Ground Water Protected Area (GWPA), [review the GWPA Applicant](#)
 - This application is to be filled in electronically
- [Discharge Application](#) (pdf)
 - For new applications, re-rates, renewals or modifications
 - This application is to be filled in electronically
- [Application for Consumptive Use Projects](#) (pdf)
 - For electric generating or cogenerating facilities designed to consumptively use in excess of 100,000 GPD of consecutive 30-day period
 - This application is to be filled in electronically

For all "Other" project types, please contact the Project Review staff to learn what materials must be submitted.

Steps for Completing DRBC's Electronic Application Submission Process

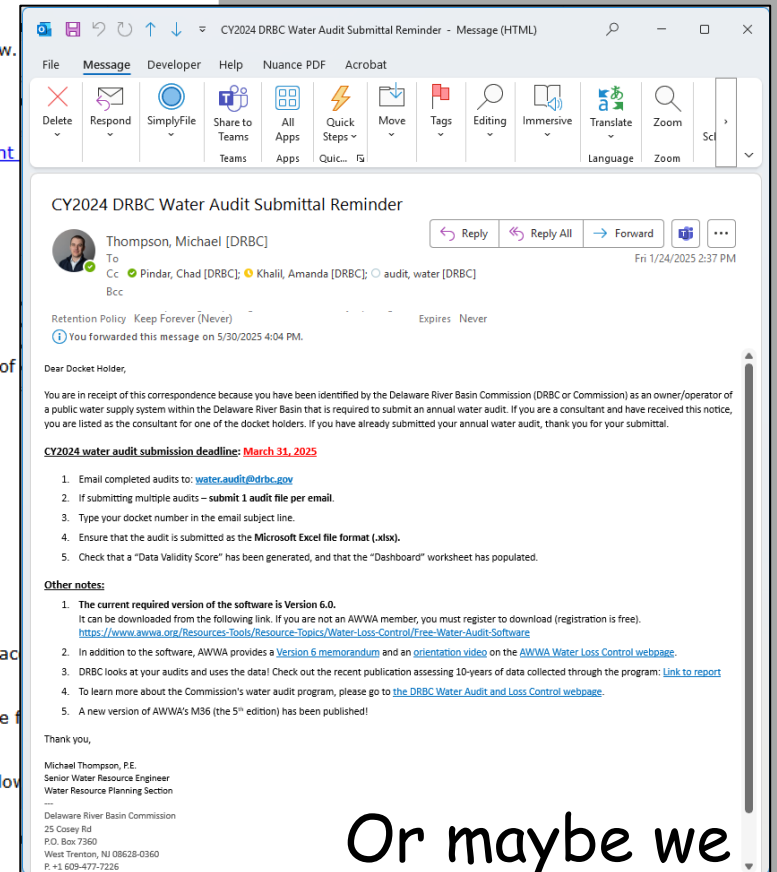

1. Download and complete the appropriate application form from among the hyperlinks above.
2. Assemble the completed application form and attachments in one or more files.
3. Go to [applications.drbc.net](#) and select "Create Account" to create a new account. Once you have established an account on applications.drbc.net and "Sign in" to your account.
4. After you have signed in, upload the completed application and accompanying materials. You may add or remove materials to your account as necessary. DRBC staff will be automatically notified that your materials have been submitted.
5. Payment of the Application Fee is required by a check payable to "Delaware River Basin Commission". Please follow instructions on the [Application Fee Form](#). The completed fee form and payment should be mailed together to:

Delaware River Basin Commission
PO Box 7360
25 Cosey Road
West Trenton, NJ 08628-0360

DRBC User Portal

Organization Name

Welcome to the Delaware River Basin Commission User Portal!

The Delaware River Basin Commission (DRBC) was created on October 27, 1961, when concurrent compact legislation ratified by Delaware, New Jersey, New York, Pennsylvania and the U.S. Congress became law.

This portal automates the process to apply for permits in accordance with Section 10.3 of the Compact and the Commission's Southeastern Pennsylvania Ground Water Protected Area Regulations.
