

New Jersey High School Graduation Assessment Requirements

On June 5, 2019, the New Jersey Department of Education (NJDOE) updated the high school graduation assessment requirements in both English Language Arts/Literacy (ELA) and mathematics for the Classes of 2019 through 2022, pursuant to an amended Consent Order from the Appellate Division of the Superior Court of New Jersey.

Important Update for Class of 2021: Governor Murphy signed [Executive Order 214](#) on January 11, 2021 to address the continued disruption caused by the COVID-19 pandemic. The Executive Order waives the statutory graduation assessment requirement pursuant to *N.J.S.A. 18A:7C-1 et seq.* for any twelfth-grade student who is expected to graduate in the Class of 2021 but has not met the graduation assessment requirement. As such, the portfolio appeals process is waived for the 2020-2021 school year. This mirrors the changes made for the Class of 2020. Therefore, students in the Class of 2021 who have not yet met the assessment requirement must still meet all the other State and local graduation requirements, including but not limited to credit, curriculum, and attendance requirements.

The Class of 2022

The high school assessment graduation requirements that are in place for the Class of 2022 are:

In **English Language Arts/Literacy**, students must demonstrate proficiency:

1. On NJSLA/PARCC ELA 10; *or*
2. By meeting the designated cut score on an alternative assessment such as other high school-level NJSLA/PARCC assessments, the SAT, ACT, or ACCUPLACER as defined in the chart below; *or*
3. By submitting, through the district, a student portfolio appeal to the New Jersey Department of Education.

In **mathematics**, students must demonstrate proficiency:

1. On NJSLA/PARCC Algebra I; *or*
2. By meeting the designated cut score on an alternative assessment such as other high school-level NJSLA/PARCC assessments, the SAT, ACT, or ACCUPLACER as defined in the chart below; *or*
3. By submitting, through the district, a student portfolio appeal to the New Jersey Department of Education.

Proficiency levels/cut scores for the Class of 2022 are specified in the next section.
