

NEW JERSEY STATE DEPARTMENT OF EDUCATION ROBERT C. BYRD HONORS SCHOLARSHIP

2010 APPLICATION GUIDELINES

The Robert C. Byrd Honors Scholarship is a federally funded program administered by the State of New Jersey. It was established to promote student excellence and achievement and to recognize exceptional students who show promise of continued success. This merit-based program provides awards for up to four years to graduating high school students who have achieved academic excellence. The financial resources of the student's family are not a criterion for determining eligibility.

The following eligibility requirements, selection criteria, selection procedures, scholarship conditions and criteria for continuation have been established to govern the federally funded 2010 Robert C. Byrd Honors Scholarship Program. Federal regulation mandates that scholarships be awarded nationwide from a representative population of each state to qualified applicants who "demonstrate outstanding academic achievement and show promise of continued academic achievement."

The total number of scholarships and the dollar amount per recipient for New Jersey students shall be determined by the amount of funds allocated by Congress to the State. The annual award per recipient for 2010 is anticipated to be \$1,500, a pro-rated amount of \$750 per semester. For the purpose of these regulations, the twenty-one counties in New Jersey shall be used as a basis for insuring proportional distribution. Awards for this program, new and renewal, are contingent upon federal funding for 2010 and beyond.

This program is highly competitive. Final selection of all qualified applicants will be done by a random selection for each county in New Jersey.

NOTE: If you have already submitted nominations for the 2010 Robert C. Byrd Honors Scholarship, you do not need to resubmit.
