October 2013

Dear Employer:

The purpose of this letter is to inform employers about the Indoor Air Quality Training Course Schedule. The Public Employees Occupational Safety and Health (PEOSH) Program is conducting this free training in conjunction with the Pediatric/Adult Asthma Coalition of New Jersey, and the New Jersey Association of Designated Persons. These organizations have arranged to provide assistance to public employers in meeting the Designated Person Training requirement contained in the PEOSH Indoor Air Quality Standard, N.J.A.C. 12:100-13. Staff from the organizations listed above will be available to address any questions regarding indoor air quality, asthma, and the "Tools for Schools" program. In addition, this year's program will address the role of the school nurse and Indoor Air Quality Team in effective IAQ programs.

Participating school nurses will be able to receive 4.0 continuing education points. School nurses must register through NJLMN for credit. Participating facilities managers will receive 4.0 CEU's toward the NJDOE required 20 hour CEU's to maintain their CEFM certification. Facilities managers must register through NJSBGA on this form and email or fax listed below.

The locations and dates are listed on the attached registration documents. Information and registration forms are also available on the NJ Department of Health PEOSH website (<http://nj.gov/health/peosh/>). This should provide ample opportunity to schedule your staff for this training. Pre-registration is required for these FREE courses. Please have your staff complete one of the registration forms and fax or e-mail your information to:

Arthur N. Pierfy, Secretary and Treasurer, NJ Association of Designated Persons

For further information contact the PEOSH Unit at (609) 984-1863.

Yours truly,

Eric C. Weren, MSIH
