A revised Chapter 192 Funding Statement for nonpublic school services will be available on or around December 24 through the "School Aid Payments and Notices" link on the New Jersey Department of Education's [Homeroom](#) webpage.

The previously released funding statement reflected per pupil funding amounts equal to 75 percent of the amounts specified in the relevant provision of the FY 2021 annual appropriations act. The revised funding statement is based on a prorated rate of 81 percent.

Representatives from school districts must consult with nonpublic schools in their districts on possible changes in the services provided based on the increased funding.
