State Aid Notices Now Available and Updates to the 2020-21 Budget Application

State aid notices for the 2020-21 school year can now be found under “School Aid” in the NJDOE’s Homeroom portal.

The New Jersey Department of Education’s (NJDOE) 2020-21 school district online budget software is scheduled to be updated today to reflect each district’s state school aid. Additionally, software screens and functions that were previously blocked from access will be available for use.

A complete listing of the edits can be found at Appendix B of the 2020-21 Budget Guidelines and Electronic Data Collection Manual.

Districts with November Elections

School districts holding school elections in November are required to submit the proposed budget to the Executive County Superintendent by March 20, 2020 as listed in the 2020 Election Calendar. The budget must be advertised at least four days prior to the public hearing on the budget, and the public hearing must be held between April 24 and May 7, 2020. School districts holding school elections in November must certify the tax levy to the county board of taxation by May 19, 2020.

School districts with November elections that are submitting separate proposals asking voters to increase the tax levy beyond base budget will be required to revise and re-transmit the budget, incorporating the levy for separate proposals passed by the voters in November.
Separate proposals that are to be presented to the voters must be included on the SFRA screen for separate proposals in the original budget.

Districts with April Elections
School districts with a board of school estimate and those holding school elections in April are required to submit the proposed budget to the Executive County Superintendent by March 4. The budget must be advertised at least four days prior to the public hearing on the budget, and the public hearing must be held between March 23 and March 30. Please refer to the 2020 Election Calendar for the deadline to certify the tax levy to the county board of taxation based on the election type.

County Review
Following the public hearings, school districts need to return to the budget software and access the “County Review and Approval” tab. Under the header “Results of Public Hearing,” select either Statement A or Statement B. Statement A should be completed if the budget approved by the Executive County Superintendent was adopted as approved at the public hearing. Statement B should be completed, along with all changes to the budget and/or separate proposal(s), if the budget and/or separate proposal(s) were revised as a result of the public hearing.

Directions for completing the “County Review and Approval” tab are found beginning on page 211 of the 2020-21 Budget Guidelines and Electronic Data Collection Manual. School districts are required by N.J.S.A.18A:7F-5(e)(4) to submit the budget to the NJDOE within 15 days of the authorization of the tax levy by one of the following: the voters; municipal governing body(ies); board of school estimate; or, in the case of a district in which the school election has been moved to November, the board of education.
