Fiscal Year 2021 Nonpublic Nursing and Nonpublic Security Aid Entitlement Notices

The Nonpublic Nursing and Nonpublic Security Aid Entitlement Notices will be available on or about October 7, 2020 through the "School Aid Payments and Notices" link on the New Jersey Department of Education's (NJDOE) [Homeroom webpage](#). The revised Nonpublic Nursing Aid entitlement notice reflects the increased per pupil amount, \$102, since the initial notices were released.

Districts that received entitlement funds for a school that has closed should not send a refund check to the NJDOE. Any such checks the NJDOE receives will be returned to the district. All refunds will be collected through a state aid payment deduction following completion of the FY20 Nonpublic Project Completion Report (NPCR).

The entitlement notice for each nonpublic school in a district is also available on this website. School districts should distribute each notice to the appropriate nonpublic school, as the NJDOE does not mail the entitlement notices to the nonpublic schools.

Please send questions regarding the entitlements to Amrita Nidhi at Amrita.Nidhi@doe.nj.gov
