Professional Development Opportunities on Improving Data Quality

The New Jersey Department of Education's Office of Fiscal and Data Services, in collaboration with the IDEA Data Center (IDC), is presenting a two-part series of webinars focused on strategies and tools for improving local education agency (LEA) data quality.

The first webinar is scheduled for Tuesday, October 20, 2020 at 10 a.m. and will provide an overview of the IDC Principles of High Quality Data and the Special Education Data Collections. The second webinar will be held on Thursday, October 22, 2020 at 10 a.m. and will provide specific tools and strategies for improving LEA data collection and submission processes.

Interested participants are encouraged to register for both sessions. Register online for the training.

Once you are approved by the host, you will receive a confirmation email with instructions for joining the session.
