ACCESS for ELLs Continuing Administration for 2019-2020: Paper-Based Administration

The New Jersey Department of Education (NJDOE) is providing districts an ACCESS for English Language Learners (ELLs) Continuing Administration option which is intended only to support ELL instruction and exit decisions. The WIDA Consortium is offering New Jersey school districts the ability to complete the 2019–2020 ACCESS and Alternate ACCESS for ELLs from August 3, 2020 to September 25, 2020, as a continuation of the interrupted spring administration. The ACCESS for ELLs Continuing Administration will be paper-based and applies only to students in grades 1 through 12 in Tiers B and C whose testing was interrupted by COVID-19 and who otherwise have an opportunity to meet exit criteria requirements.

Districts that participate in the ACCESS for ELLs Continuing Administration may administer the domains not tested/completed by students due to the interruption of the spring 2020 administration. The domain(s) that were completed by students during the spring 2020 administration will be aggregated with the domain(s) that are completed during this continuing paper-based administration.

For additional information, please see the fact sheet released by the U.S. Department of Education regarding the provision of services to ELLs during the COVID-19 pandemic.

Ordering Paper-Based Test Materials
Paper-based test materials can be ordered through WIDA AMS in the “Additional Materials” section until September 11, 2020.

Any domains that a student has yet to complete should be completed in the ACCESS Paper test booklet. An exception to the Paper test booklet requirement will be made if:

- Student is in grades 1 to 3, and
- Student has already completed the Listening, Speaking, and Reading domains for ACCESS Online, and
- The district already has a Writing booklet available to finish testing the student.

If the district does not have a Writing booklet available for a student in grades 1 to 3 who otherwise meets the above criteria, the district should order an ACCESS Paper test booklet for the student and administer the Writing domain to the student using the ACCESS Paper test booklet.

Note: For students in grades 4 to 12, ACCESS Paper test booklets must be ordered, even if the district has ACCESS Online test Handwriting booklets available for these grades. ACCESS Online test Handwriting booklets require students to log into INSIGHT in order to see the Writing prompts, which students will not be able to do during this administration.

For further information on ordering materials for the ACCESS for ELLs Continuing Administration, please review the ACCESS for ELLs Continuing Administration for 2019–2020 document from WIDA/DRC, which also includes:

- Lists of Test Materials for paper-based ACCESS and Alternate ACCESS
- Label Guidance
- Information on Test Administration
- Information on Returning Test Materials

For additional information on ordering and returning materials for the ACCESS for ELLs Continuing Administration please contact DRC Customer Service.

Using Spring 2020 Administration Materials:

- Districts that already have the appropriate ACCESS Paper Tier B/C or Alternate ACCESS paper test materials for students from the interrupted spring 2020 ACCESS administration may use these materials for the paper-based ACCESS for ELLs Continuing Administration.
- Districts that already have Writing booklets available from the interrupted spring 2020 ACCESS administration for any students in grades 1 to 3 who previously completed Listening, Speaking, and Reading domains on ACCESS Online may use these materials for the paper-based ACCESS for ELLs Continuing Administration.

Test Administrator Training for the ACCESS for ELLs Continuing Administration
Test administrators must complete and pass the paper-based ACCESS training prior to testing students; if administering Alternate ACCESS, that training must be completed. If test administrator training for the Paper ACCESS has been previously completed, no additional training is required. As a reminder, test administrators must pass the required training on the WIDA Secure Portal with a score of 80% or higher.

For additional questions regarding test administrator training and certification, please contact WIDA Client Services.
Using Student Scores from the ACCESS for ELLs Continuing Administration

Due to the federal waiver of 2019–2020 statewide assessments, these scores will not be reported for 2019-2020 accountability. The ACCESS for ELLs Continuing Administration option is intended only to support instruction and exit decisions. Student score reports will only be provided on the WIDA AMS; no paper reports will be mailed.

For more information on using ACCESS scores, please see the following broadcast from August 21, 2020: Updated English Language Learner Guidance for the Every Student Succeeds Act.
