Subject: Completed Financial Aid Application Tracker for Graduating High School Students

Dear Colleagues,

One of the best ways to support your students in the Class of 2021 is to ensure they receive all financial aid possible as they explore and pursue their post-secondary education options. NJ Higher Education Student Assistance Authority (HESAA) can confirm which of your seniors already applied for financial aid so you can identify those who need extra reminders or support to complete their aid application. This includes your NJ Dreamers who completed the NJ Alternative Application for Financial Aid. The HESAA Client Services team is here to help. Get started by sending an email to Andre_Maglione@hesaa.org.
