New Jersey Comprehensive School-Based Mental Health Training and Technical Assistance

The Northeast and Caribbean Mental Health Technology Transfer Center (MHTTC) at Rutgers University is offering monthly webinars to support school districts in developing school-based mental health services and supports. During these sessions, the MHTTC, in collaboration with school mental health experts and New Jersey district exemplars will focus on the core features of effective school mental health practices. The MHTTC will also offer individual coaching sessions to provide more targeted support to New Jersey schools and districts. Coaching sessions will be available on a first come, first-served basis by reservation only. The MHTCC encourages districts to register staff as a district-level team.
