## Revisions to Homeroom Landing Page

Beginning August 30, 2021, the New Jersey Department of Education's (NJDOE) [Homeroom](#) webpage will have a new format. All Homeroom Administration information will be displayed at the top of the page including links to the main help desk email, [DOEIT Tech Support](#), and the [Homeroom Administrator Manual](#). Homeroom applications will be displayed as they were previously with the addition of Open and Close date information to inform the user of the expected working dates for the application, as well as a column for Additional Information to be used if an application is unexpectedly unavailable, or to communicate other important information to the users.

This new format should make the Homeroom page easier to use and provide important dates and information for each application. Any comments or questions can be sent to [doeit@doe.nj.gov](mailto:doeit@doe.nj.gov).
