Route To: LEA Staff Responsible for Completing ARP-ESSER III Safe Return Plans
From: Martin Egan, Director
Office of Grants Management
Deadline: December 23, 2022

American Rescue Plan (ARP) Safe Return Plans

In accordance with the American Rescue Plan Elementary and Secondary School Emergency Relief Fund (ARP-ESSER III), districts accepting ARP-ESSER funding are required to update the Safe Return Plan for the continued safe return to in-person instruction and continuity of services for all schools, as well as post the updated plans on their websites as required by [ARP Act section 2001\(i\)\(1\)](#). Since these plans serve as local guidelines for all instructional and non-instructional school activities throughout the entire ARP-ESSER project period, districts must update them periodically, but no less frequently than every six (6) months through September 20, 2023. Plans also are to be updated whenever there are significant changes to CDC recommendations for K-12 schools. As with the initial plan, all revisions must be informed by community input and approved by a district's Board of Education prior to posting it on the district's website.

Actions Required

LEAs will submit an updated Safe Return Plan encompassing all the schools in their district. Safe Return Plans can be amended by logging into the EWEG (Electronic Web-Enabled Grants) system through the [NJDOE Homeroom](#) webpage, selecting the GMS Access/Select link found on the main menu screen, and completing the following steps:

- At the top left side of the page, Select Fiscal Year **2022** from the drop-down list.
- On the *ARP Safe Return Plan* line, click the 'Amend' button.
- Enter the required information in each tab.
- Run the Consistency Check to identify any errors or omissions; and
- Submit the report to the New Jersey Department of Education (NJDOE).
