## Nominations Sought for 2022-2023 Governor's Educator of the Year Recognition Program

The New Jersey Department of Education (NJDOE) strives to recognize educators who have gone above and beyond in their service to New Jersey's students. Over the past two and a half years, educators changed the way they delivered instruction to New Jersey's 1.4 million students. Now, more than ever before, is the time to celebrate New Jersey's outstanding educators. Therefore, every school in every district is encouraged to participate in Governor's Educator of the Year program to honor the hardworking teachers and educational services professionals for their dedication to their students and the profession.

This program promotes a culture that recognizes excellence, creates a sense of pride, and brings public attention to the work of outstanding educators. Please remember to consider exceptional educators with diverse backgrounds to ensure that honorees represent the ethnic/racial diversity of our state.
