## **Fiscal Year 2023 Nonpublic Project Completion Report (NPCR)**

The Fiscal Year (FY)2023 Nonpublic Project Completion Report (NPCR) for nonpublic nursing, nonpublic textbook, nonpublic technology, nonpublic security aid and Chapter 192/193 is currently available through the "NPCR" link on the New Jersey Department of Education's [Homeroom](#) webpage.

**All districts that received any FY2023 Nonpublic School Aid must file the FY2023 NPCR by October 13, 2023.** In order for the New Jersey Department of Education (NJDOE) to approve requests for additional Chapter 192/193 funding in the current FY2024 school year, it is imperative that districts submit their NPCR by the October 13, 2023, deadline. Please note that all nonpublic aid refunds due to the state will be collected through a state aid payment deduction after districts have completed the FY2023 NPCR. Please *do not* send paper checks for nonpublic school aid refunds.

The first deduction of state aid for a nonpublic aid refund will be withheld from the November 8, 2023, state aid payment to districts. If a district fails to file the NPCR before the October 13, 2023, deadline, its entire FY2023 nonpublic aid entitlement will be withheld through the state aid payment deduction. Any refund withheld through the state aid deduction will be adjusted in the April 8, 2024, general fund state aid payment, only after NJDOE receives the FY2023 audit summary data submission from the district.
