Summer 2023 P-EBT Webinar Registration

On Tuesday, May 16, 2023 at 10:00 a.m., the New Jersey Department of Human Services, Division of Family Development will host a webinar to provide an overview of Summer 2023 P-EBT Benefits. P-EBT, which is part of federal government's response to the pandemic, gives eligible school children a temporary emergency nutrition benefit loaded on an EBT card. It provides a standard P-EBT benefit to all school-age children in grades K–12 who are approved free or reduced-price school meals through the National School Lunch Program. This webinar will explain who is eligible for the Summer 2023 P-EBT and what data is required from school districts to issue these P-EBT benefits. Attendance at this webinar is needed for all NSLP-participating schools.

Who Should Attend

The individual(s) who provided student information in the previous P-EBT rounds, the Business Administrator, Food Service Director, or another person who is responsible for P-EBT in your district should attend. Student information will be entered into the P-EBT submission page accessed through the MyNewJersey portal, so the individuals who submit student data (Certifier, Alternate Certifier, Submitter, Alternate Submitter, School Administrator, Food Service Director, or Other User) should also attend.

The webinar will be held on **Tuesday, May 16, 2023 at 10:00 AM**. To attend this webinar please register by going to the [P-EBT Webinar registration](#) webpage.

After registering, you will receive a confirmation email containing information about joining the webinar. **This information is unique to you so please do not forward it to anyone else.** If someone wants to attend, they must register using the link mentioned above. The webinar will be recorded and materials shared with those who register so it is important to register even if you are unable to attend the live webinar. If you have any questions, please send an email to dfd.training@dhs.nj.gov.
