## **Introduction and Training on Seal of Biliteracy Student Verification Status Documents**

The New Jersey Department of Education (NJDOE) announces the introduction of documents to support the Seal of Biliteracy Student Verification Status process. These documents are an implementation support designed to allow local educational agencies (LEAs) who participate in the [State Seal of Biliteracy](#) program to proactively monitor the status of their students in the verification and certificate creation process. NJDOE will provide training on how to use the documents to check students' verification status and resolve any student verification issues.

### **Key steps/actions**

NJDOE's webinars for the Seal of Biliteracy Student Verification Status are open for registration. Please see the [NJDOE's Calendar of Events website](#) to register. Webinars will be held on April 26, 2024, and May 1, 2024.
